Dated 11-4- 1877.

Not to be folded or roughly handled

Certified that I have carefully examined Pettanah Iyah, son of Moottoo Iyah, 1st Class Vaccinator of Shealy Taluq, Tanjore District. His age is by his own statement 50 years, and by appearance 50 years. I consider Pettanah Iyah to be completely and permanently incapacitated for further service in the Department to which he belongs in consequence of old age and general Debility. His incapacity does not appear to me to have been caused by irregular and intemperate habits.
