Pension.

Read the following paper:—

From A. KISTNASAWMY MUDALI, late Clerk of the Public Works Secretariat, to the Secretary to Government, Public Works Department, dated Madras, 22nd March 1877.

In their Proceedings, No. 500, dated the 9th August 1876, Pension Department, Government informed me that my application for pension would be disposed of on receipt of a reply from the Government of India to a reference made to them on the subject; but as no orders have been received even after the lapse of *more than seven months* since the receipt of the above and *twenty-three months* from the date of my retirement, I now venture to forward, herewith, a petition to the Government of India through your Government requesting that early orders may be passed on my case. My present circumstance in these famine days, as set forth in the petition, has necessitated me to make the application. I therefore respectfully request that your honor will be pleased to submit the same to the Government of India with your favorable recommendation.

ENCLOSURE No. 1.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

Calcutta.

The Humble Petition of A. KISTNASAWMY MUDALI, late Clerk in the Government Secretariat, Public Works Department, Madras.

MOST HUMBLY SHOWETH,—That the petitioner served Government faithfully and to the satisfaction of his superiors for a period of twenty-eight years, and was struck off the strength of the effective establishment on the 11th May 1875 (*nearly twenty-three months ago*). As no orders have been received sanctioning his pension he presented two petitions to the Local Government, dated 6th April and 3rd July 1876, requesting them either to pass early orders on his application for pension, or, if it were not possible, to sanction an advance to him on account of pension. The petitioner was informed, in reply, that his case would be disposed of on receipt of a reply from the Government of India to a reference made to them on the subject; but that his request for the grant of an advance could not be complied with.

2. The petitioner begs to represent that in consequence of the delay in getting a speedy reply from the Government of India, even after the lapse of nearly twenty-three months, he has been actually left to utter destitution, especially in these famine days, and he therefore appeals to the Secretary's sense of justice and sympathy to order necessary steps being taken for the immediate disposal of his case, thus relieving him and his family, comprising seven souls, from the great hardship and starvation they are now subjected to.

For which act of charity the petitioner, as in duty bound, will ever pray.

MADRAS, 22nd March 1877.

The Honorable R. S. Ellis C. B.

Member of the Council of
Fort Saint George

Most Respected Sir

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the Government Secretariat Public Works Department and father-in-law of Mr. Karamia sawny Koodelly late Deputy Collector Kellose, exceedingly regret to inform your honor that my only son Ruthesa Koodelly employed in the Accountant General's Office departed this life on the 15 instant leaving me, my family and the widow of my deceased son Karamiasawny Koodelly, in a very deplorable and helpless condition, and in addition to this our sorrow has been very much aggravated by the death of the last son of the said Karamiasawny Koodelly. Our circumstances have thereupon been straightened so that we have no one at present but your honor to relieve us from the insurmountable difficulties we are now contending with in these famine days. Your honor might be aware of my services being dispensed with on the 11th May 1875 on a pension of 15 Rupees per mensem. As no order of Government sanctioning its payment has been as yet received even after the lapse of nearly two years I addressed a letter to your honor and Government

for the long delay, and upon your enquiry, I
presume, Government favored me with a reply
to the effect that my case will be disposed of
on receipt of a reply from the Govt of India to
a reference made to them on the subject. I was
again obliged, owing to the pecuniary
embarrassment, to submit a petition on the subject
to His Grace the Governor, to which no action as
yet appears to have been taken. As I am now
left to entire starvation nor possess any means
to perform the ceremony of my deceased son,
I must respectfully request your honor will be
pleased to condescend to enquire into my
helpless case and issue early orders for the
payment of my pension.

For which act of charity and kindness
I shall ever pray

I beg to remain
