SIR,

I have the honor to forward herewith three copies of replies to certain queries made by the Accountant General in regard to these servants whose names have been sent up for pension and gratuity.

2.) In reference to the case of Peon Morthosawmy I find that he has only 1 year

5 Months more to serve to qualify for a pension, he being now only entitled to a gratuity. This Peon has, I believe, had an unexceptionable character during his long service, and I beg to recommend that if possible he may be admitted to a pension in lieu of a gratuity.

Statement of Moung Hlatung, Native Nurse,
 at the Vepery Hospital for women
 & children.

I don't remember the year when I was
 first entertained in government employ,
 but I know that Dr Shortt was then
 the Apothecary of the Hospital, & that
 when I joined Valoydum, the 1st
 Class cooky, had been at the hospital
 for six months - My salary was at
 first Rs 5 per month, but, when the
 hospital was converted into a hospital
 for women & children only, my
 salary was raised to Rs 6 per month.
 I have continued in government
 employment from the date of my
 first entertainment to the present time
 without any interruption.

Mungatta X her husband
 Valoydum states that he joined
 this hospital in the year 1851. He
 remembers Mungatta being entertained
 about 6 months after his coming
 to the hospital - She has remained
 in the same post ever since.
 Mootoswamy says that Mungatta
 was first employed at the Hospital
 three years after he joined and that
 she has remained here ever since.

Solemnly affirmed at the above place
