Pension.—Granting an invalid pension of Rs. 50 per mensem to A. Moonisawmy Moodelliar, late Extra Overseer, 1st Grade, Public Works Department, North Arcot District.

No 11

Vellore 20th April 1876.

Certified that I have carefully examined A. Mooneesawmy Moodelliar Son of A. Soobroya Moodelliar, an Extra Overseer 1st Grade. Public Works Department, in the District of North Arcot. His age is by his own statement 54 years and by appearance about the same. I consider A. Mooneesawmy Moodelliar to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Chronic Rheumatism. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

I have a very good opinion of Moneesammy Mood, as an Overseer; he has had a good many years' practical experience; and is both able and willing to do his work well— He has shown a good deal of energy lately, in getting together a large amount of labor, for the channels from the Poiney Anicut— He is also well acquainted with the original project.

At Mornasawmy Mudaliar's request and on leaving the Chittoor Range. I have much pleasure in stating that during the 3 years I was in charge of the Range he performed the duties of Overseer of the Chittoor Taluq generally to my satisfaction. He built the Civil Dispensary the Police hospital the Jailors Quarters the Range Office and carried out extensive Jail im provements: he built 3 large and several small bridges laid out and formed many miles of new roads and kept up the 80 miles of old roads in his Taluq in first rate order. and he repaired a great number of irrigation works. I have always found him a useful experienced and willing assistant whose conduct was always good and whose accounts &

measurements were always trustworthy

I think it is much to be regretted that there is no intermediate appointment in the Dept. between Overseer and Range Officer in which men of long service and great experience but deficient in general education to fit him for the position of Range Officer - like Moona-Ilavany Mudaliar - could be placed and I hope that the Department will be reorganised shortly so far at least as to afford suitable

I have the honor to return the enclosures of your Memorandum No. 119 N. A dated 7th October 1876, regarding the application for pension on behalf of Arcot Muniswami Moodaliar.

2. The termination of the applicants service on the 31st March 1848 has been corrected in the service book, from "promoted" to "resigned" but the applicant cannot obtain a statement of contemporary servants to the effect that he resigned on that date, nor can he produce original documents. A fresh affidavit containing the above statement is forwarded.

3. The applicant states that he drew pay at the rate of Rs 17-8 up to 31st May 1847 and Rs 21 from 1st June 1847; but Deponent avers that in the Memorandum No 5 the year 1847 was by mistake entered for 1848;

this mistake having occurred by an oversight in the beginning of the year.

4. The applicant states that he was actually doing duty as a Surveyor and not as a Maistry as shewn in the documents: but in the Road Department the Surveyors were generally called Maistries; the Service book &c are now corrected to exhibit the duty of "Surveyor Maistry" to correspond with the original documents
