From The Registrar of Tinnevely
To The Inspector General of Registration
Madras.

Sir,

In acknowledging the receipt of your docket No 609 of the 23rd December 1876 and its enclosure, I have the honor to state that I am not in a position to say who are the legal heirs of T. Kannosamy Pillay late Sub Registrar of Chappisaram as he died in Tanjore. Our Valliammai claiming to be his wife's aunt applied to me for the arrears of pay due to the late Sub Registrar, and I informed her by endorsement that if she produced a certificate of heirship from the Court, I would pay her whatever amount was legally due to the late Sub Registrar.

The allowance due to the Sub

Registrar for April was withheld by me as there was a question about the exact date from which his leave was to Commence. When this was finally decided, I sent him a pay bill to sign and return, but he died before it reached him, and it was returned to me through the Dead Letter Office. I enclose it for your inspection and you will observe that I included in it his pay for July and August as well.

Yours &c

Extract of Document No 16 of 1876 of Book III.

13

The document is a list of names and dates, possibly a roster or a list of appointments. The text is written in a cursive script and is somewhat difficult to read due to the handwriting. The names appear to be of various origins, including English and possibly French or Spanish. The dates are mostly in the year 1876, with some entries from 1875 and 1877. The list is organized in a columnar fashion, with names and dates alternating. Some entries include additional information, such as "1598" or "1876". The overall tone of the document is formal and official.

I have the honor to forward for your
information the accompanying
extract of a Will duly executed
by the late Namusami Pallai &

legal heir his minor son Murugia Pillai a mere boy of 5 years of age to be duly made over to him on his coming of age. It will be further apparent therefrom that he has also thereby expressly authorized her to receive on behalf of his minor son the arrears of pay & due to him and expend a reasonable portion thereof for the maintenance of his children during their minority.

2 This deceased Shannusami Pillai also informed me personally when registering his above Will that he had severed his connection with his 2nd wife long ago by reason of her unchastity and that though he has a brother he never was in good terms with him and that therefore he founds himself

under the necessity of executing this Will & thereby appointing the said Valliammai herself in whom he had great confidence to be the guardian of his minor children during their minority lest his brother should otherwise misappropriate to himself all his property to the prejudice of his children.

3 I have now in receipt of your letter & further enquired carefully and satisfied myself that this Valliammai is the very woman referred to by the Simevelly Registrar in his letter & that the late Shannusami Pillai's children are now under her protection only. In accordance with my notice to her she has duly appeared in this office and produced to me the Simevelly Registrar's endorsement requiring
