Service from 22d January to 19th September 1845 was rendered in the Tobacco Establishment which Establishment also the Collector states was permanent and continued to exist throughout each year from 1827 till its abolition in 1853 – and cites instances wherein service in that Establishment was held as qualifying. But in the cases of certain individuals disposed of in Govt Orders Nos 63 & 114 of 12 March & 23d April 1868 respecting their services in the Tobacco Estabt were disallowed on the ground of the Establishment was not traceable in the Annual Returns, and because the Establishment was not charged in the Journals on record in this office as a permanent charge under "fixed Establishment Land Revenue" but under "Extra Revenue charges" – In these cases it is to be noticed that the exclusion or the inclusion of the period of service in Tobacco Estabt did not affect the amount of pensionary allowance.

His age is by his own statement 60 years and by appearance about that age I consider Madarkhan to be completely and permanently incapacitated for further Service of any kind in the Department to which he belongs in consequence of old age and debility. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
