CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in { ^{inferior} superior } grades has been duly proved for 13 years 11 months and 10 days; and that a small { ^{pension} gratuity } not exceeding Rs. 183-11-11 equal to 2 is admissible under Sections 59(a) of the Civil Pension Code. (The calculations have been duly verified.) *According to Applicant's service as an Apprentice & Clerk in the Superior State at the rate of Rs. 15 per month during the period was less than Rs. 15 per month in reality he was not an Apprentice, and he was not bound to serve in the lower conditions required in the case of Apprentices. In the Annual Returns on record in this office he was styled as an Apprentice, & service as such was not granted under Sec. 13 of the Civil Pension Code. Should Government however be pleased to agree with the Superior's statement that he was styled as an Apprentice, he will be admissible under Section 59(a) of the Civil Pension Code for his entire service of Rs. 15-6-11.*

Certified that I have carefully examined Cholassee son of Cholassee Chetty, a compositor in the Job Department, Government Gazette, Press.

His age is, by his own statement, 45 years, and by appearance, about 45 years.

I consider Cholassee, compositor in the Job Department, Government Gazette Press to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of impaired vision of both eyes.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

In the first two cases mentioned the net sum after deducting Income Tax appears to have been entered instead of the gross sum.

In the other instances the man appears to have earned Ropers 17-1-9 in April March 1866 but for some cause which cannot now be traced only Rs 7-1-9 were drawn, and the Rs 10 were ~~was~~ drawn in excess of his earnings in the following month.
