THIS is to certify that I have carefully examined Surveypillay Ramiah, Salt Supt. Nellore District son of Sarvepalli Venkataramana His age is by his own statement 54 years and by appearance about 60 years I consider Surveypillay Ramiah to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of old age & debility

His incapacity does not appear to have been caused by irregular or intemperate habits. He has not been under general Medical treatment.

From,
C. E. Plunkett Esquire,
Deputy Collector in charge
of the Salt Department
Nellore.

To,
G. Vans Agnew Esquire,
Collector of Nellore.

Sir,

I regret to be obliged to report for punishment the conduct of Sarvapalli Ramaya, Salt Superintendent of the Dugarazupatnam Division..

2. On the 8th of last month the Salt Superintendent of Iskapalli Division sent down to me an "Express" report regarding the shipment of Salt that was at that time going on from Isakapalli to Nizamapatnam in the Kristna District..

3. There was considerable delay in the transit of this report through the Kristnapatnam and

Note— By an express report is meant a report not sent in the ordinary course by the regular tappal, but sent express by a Peon or other messenger among the lower servants of a Division.. It is passed on along the coast from Division to Division in this manner

Ia No. 917 of 86

and Dugarazupatnam Divisions and I of Course called for explanation of the same.- The replies received from the two Divisions were so Contradictory that it was evident that either one or other statement was false, and there was this difference between the two that in the case of Kristnapatnam it was a menial servant or Vettiyan on 5 Rupees a month,- an illiterate uneducated man,- who was making the statement, whereas as regards Dugarazupatnam it was the Superintendent and Head of the Division on 60 Rupees a month who was reporting on that statement of the said Vettiyan.

4. I have now made a detailed enquiry into the matter, and I much regret to state that I find it is Gurvapalli Ramaya, the superintendent of Dugarazupatnam who has told the falsehood, and having made a false report on so comparatively trivial a matter I submit for consideration how I can be expected to repose trust in reports on graver matters that Gurvapalli Ramaya in the ordinary course of his official duties has almost daily to make to me.-

until it reaches the addressee and is a means of Communication that is made use of only — when any information very urgent or important has to be speedily transmitted. In this way reports have reached me in 48 to 50 hours from the extreme north of the District when I have been in the South, whilst by the regular post they should have been at least 5 or days in transit.

5. I have taken an explanation from him

of his conduct, and had he Confessed his untruthfulness and asked for pardon I should most probably, the cause of the falsehood being so unimportant a matter, have overlooked it altogether and never have reported it officially to you.

But no, to add to the gravity of the fault and make it all more hinious, Gurvapalli Ramaya acting evidently on the principle that having told a lie it is best to stick to it, has resorted to a hundred other lies as subterfuges to cover the first one.-

6. He pleads that he has nothing to gain by the telling of an untruth in so small a matter, and on my asking him if he has no witnesses to prove his assertions he referred to his reports as his supports and named a Brahmin in whose house he is himself living and

and who is a particular friend of the superintendent as his sole witness.— The Brahmin was not in Dugarazapatnam at the time of my visit and so I could not examine him. I then asked him whether he could not cite his clerk, or his assistant Superintendent, or the shroff, or some of the many subordinates under him as witnesses but he objected to them all as his enemies who had conspired to ruin him and that this complaint was trumped up by them. He had at the time only one witness, this Brahmin, his friend, but he promised to make inquiries in the Village and see if he could find people to speak in his favor, which statement I told him I considered to mean that he would suborn witnesses to speak to his own truthfulness.

7. In other respects also I may add Sarvapalli Ramaya's conduct is not satisfactory and I submit for perusal translate of an order(+) I issued to him last month. He is in my opinion wanting in energy and ability for the appointment he holds and that he is thus physically and mentally unfit for it.

(+) No 15 dated 22nd February 1872.

8. When Sarvapalli Ramaya was appointed to the Department in 1868 it will be seen from the correspondence noted in the margin that I objected to him on the ground of unfitness, and last year during my absence on other duty in Chingleput District he was promoted(+) from the Superintendentship of Gogulapalli on Rs 50, the post to which he was nominated in 1868 when he joined the Department ~~to~~ the superintendentship of Dugarazapatnam on Rs 60. I do not know what led to his selection by the Acting Deputy Collector but had I been here I should certainly never have

have recommended such an arrangement for your sanction.

9. In Government of India order (+) No 1294-1295, 30th November 1870, the following words find a place in Paragraph 50

"His Excellency in Council deems it
"right here to record his opinion that all
"Heads of Departments fail in their duty,
"when under any circumstances whatever
"they sanction directly or indirectly the
"retention in active employment of any
"officer who is physically *or* mentally unfit
"for the proper discharge of his duties"

+Relevant to the Allahabad Barracks.

And Sarvapalli Ramaya being unquestionably both mentally *and* physically unfit for the arduous duties of a Salt Superintendent as will be seen by the order translate of which I enclose, I beg to recommend his removal from the appointment.

He however is an old servant (+) entitled to pension and there being no greater fault in him at present than unfitness for

for an office *for which he never was fit* and untruthfulness for which we cannot expect much regard from a Native of Ramaya's class, I beg to suggest that he be reduced again on 50 Rupees to Gogulapalle the Division from which he was promoted last year.—

10. I presume now there can be but little doubt that final orders to abolish Gogulapalli will be received before long, and there will therefore require nothing more to be done there but to sell off the remaining stock of salt in hand.— This we may expect to accomplish by the end of the Current year 1872, and Sarvapalli Ramaya might be allowed to carry this out without much detriment to the public interests; and with the abolition of the Division he could retire in peace on the pension
