Certified that I have carefully examined
Narrausawmy, Piccohatv-Man of the
Hospital, son of the Piccohatv-Man.
His age is, by his own statement 58 years
and by appearance about that age.
I consider Narrausawmy to be com-
pletely and permanently incapacitated
for further service of any kind in
the Department to which he belongs
in consequence of advancing senile
cataracts and atrophic changes of
structures of the fundus in both eyes. His
incapacity does not appear to me to have
been caused by irregular or intemperate habits.

I was a ryot before coming
to the Hospital and worked in the
fields at Tungumbakum for 6
years. When I first began to work
I was headless. My age when entertain-
ed as a Lascarian was about 23 or
24 and I have served continuously
as Lascar and Pickottahman ever
since until November last. Auricun
the late head nurse was employed
about 2 years before I joined and
I believe she was entertained on
the first opening of the Hospital in
1844. My service is therefore rather
more than 30 years.
