ORDER THEREON, 19th June 1877, No. 318.

As it appears that the Assistant Mastership held by Mudumby Seshaiengar was not abolished on the remodelling of the Government Taluq School at Tindevanum, South Arcot District, since another man, better qualified, was appointed in his stead; and as the inability to provide the applicant with another post is attributed to his inefficiency, he not being a passed candidate, the Government decline, under Sections 48 and 50 (5) of the Civil Pension Code (3rd Edition), to sanction payment to him of a compensation gratuity.

22.4.78

The papers disposed of in the G.O. of 19 June 77 are still wanting. In their absence it is difficult to form a satisfactory opinion on the case. but so far as I can judge, the objection to granting the gratuity on the ground that Rt's former appt. was not abolished inasmuch as an Assist. Master was appt'd in his stead. is not well founded for Rt's appt. of Vernacular Assist Master was abolished

& the appt. of Assist Master &c. was filled in lieu of it - was of a different character altogether. & required qualifications &c. Rt. did not possess.

Under these circs. I think he is even under the rules entitled to a gratuity. & his service of 20 years entitles him to much consideration

I would desire

the case. & give the Gratuity. But it wd. be more satisfactory to have the former papers. before passing the order.

The humble petition of Mudumby Seshaiyangar late Assistant Master of the Taluq School Tindivanam South Arcot District, most respectfully showeth —

1. That this petition is submitted with reference to the Government order No. 518 dated 19th June 1877 [illegible] Department expressing the disinclination of the Government to sanction payment for a Compensation gratuity to the petitioner, Seshaiyangar.

2. That, on the 8th November 1856 the Petitioner entered Government Service as temporary assistant Master in the Government Taluq School at Vridachellam on a salary of Rupees 8 per mensem, and was finally on the 18th November 1857 made an Assistant master of the Taluq School Tindivanam, from which last mentioned post, he was removed on the 27th January 1877 upon the remodelling of the School by the Director of Public Instruction.

3. That he has had about 20 years' Service and experience in the Educational Department during which period his salary was raised from time to time from Rupees 8 to 10 from 10 to 12 and

No. 399/77

from 12 to 15 Rupees on account of his efficiency in his work which is exemplified by the adjoining testimonials and extracts

4. That during his long career no objection was taken to his character or qualification which might justify his superiors in summarily removing him from the Government Service under the new system of remodelling the Government Taluq Schools, introduced rather unexpectedly by the Director of Public Instruction.

5 That although he was not a passed candidate, he had yet been, long before the system was put in force, allowed by his old superiors to hold the second Mastership in preference to the 3rd. master a passed candidate simply because of his efficiency and skill in imparting education to his students especially in Tamil Language.

6. That as a further proof of his industry, attention and efficiency, the Petitioner begs to state that ~~[illegible]~~ S. Seshaiyar who was the Deputy Inspector of this and other Schools a few years ago, sent a circular to all the Taluq Schools in his range pointing out the Petitioner's mode of teaching as a model to be followed by the other Masters, which fact the Petitioner is now unable to prove by documentary evidence.

7 That though the guiding principle of the New System might be to remove all the unpassed Masters from the Roll, yet the [illegible]ioner humbly submits that the length of his service and the care with which as admitted by all his successive Superiors, he was discharging his duty for upwards of 20 years entitled him to an exceptional consideration.

8. That, if during this long period the Petitioner did not pass any examination, it was not owing to idleness or indifference, but exclusively to the nature of his work and the manner in which he performed it; which allowed him no leisure or strength for private study and the Petitioner begs to add that; if he had a timely warning of the introduction of the New System, he would have worked harder and passed the prescribed examination.

9. That in the above statements the Petitioner has not resorted to any exaggeration of existing merits or the concealment of any demerits, will appear upon a reference to the results of the periodical examinations in his subjects, as the students generally cleared $\frac{3}{4}$ of marks and never fell short $\frac{5}{8}$ during nearly a quarter of a century, and that at the last examination held before his removal namely the annual examination for 1876-77 the results of which were recorded highly satisfactory by the Director of Public Instruction, it was only the Petitioner's subjects in which the highest marks were obtained in the whole school

10. That under these circumstances, the Petitioner submits that beyond the technical disqualification

of being an unpassed master, there is nothing that can compel the Government to consider his services as not entitled to a reward. and therefore most humbly prays that they may review their Proceedings No. 318 dated 19th June 1877 in Communication with the Director of Public Instruction and on kind perusal of the marginally noted papers favour him with gratuity.

1. Reference to his Service Bk the original being retained in the Government office as stated in Docket No. 308/30-10 from the Ag. Inspector of Schools which is herewith sent.
2. Original certificate of a letter from the Head Master and a reply from the Dy. Inspector respectively dated 29th August 1863 and 17th September 1863
3. Two original certificates granted to the Petitioner by Murugasa Pillay on 26th April 1871 and by T. Aiya Aiyar on 17th May 1876 respectively

He is a laborious patient, popular young man and with care and diligence imparts instruction to the Children entrusted to his charge, proceeding from the simple object, not only during the School hours but also in his leisure. He always takes a warm interest in displaying the value of education to the inhabitants at large: Such is the character of one whose mind, it seems, is now exceedingly afflicted by the increase: not because it is lower than that expected; but because it is to be paid from the school fees, which he will not always get, as there is a prospect that some boys from the senior Classes

M. Seshaiyangar has been employed as Second Master in the Govt. Taluq School at Tindevanum from the 10th November 1857; and I gladly avail myself of the present opportunity to record the high opinion that I have always entertained of him, both as regards ability in teaching and an earnestness and conscientiousness in the discharge of his duties; his behaviour towards me was very satisfactory. During the 13 years of his connexion with this School, he has been working with unwearied perseverance and patience, the two great requisites in a Schoolmaster; and while contributing greatly to the high character which the School maintains among the people of this place, he has entitled himself to the gratitude of many a parent and child. He is a good Tamil Scholar and knows English also.

Sir,

I have the honor, in returning the accompanying petition referred under docket of the 4th February, to state that Dr. Bradshaw, the Inspector of the 4th Division, reports that there is no post to which M. Sesha Iyengar can be appointed.

2. M. Sesha Iyengar might very well be appointed to a Local Fund school, on a vacancy occurring, but these appointments are made by the Presidents of Local Fund Boards, although under the rules the

the Inspector ought to be consulted in filling them up. M. Sesha Iyengar is however not without employment, as he has been for some time a teacher in the American Mission Girls' School at Tindevanum.

3. As he was not removed on the ground that he was inefficient, but solely in consequence of the abolition of the purely vernacular classes in all Taluk schools, Government may be pleased to reconsider his claim to a gratuity.

From Mr. Seshiengar, late Assistant master of the Talook School, Tindivanam, South Arcot.

Referring to the Government Order No. 318 dated 19th June 1877, Pension Department, expressing the disinclination of Government to sanction the payment of a compensation gratuity to petitioner, represents that he has faithfully & earnestly discharged his duties during his long service of 20 years; that though an unpassed candidate

165.

For orders

With reference to the Hon Mr. Huddleston's remarks it would appear that the title of the Petr was the same as that of the ~~officer~~ man who has replaced him namely "Assistant master". The prefix "Vernacular" does not appear in the service book & apparently no argument in Petr's favor will hold on this ground.

Rule 5 § 50 of the Pension Code lays down (1) that "the candidate, he was always held in high esteem by his official superiors & was once pointed out by the Dy. Inspector of schools as a model teacher, owing to his efficiency & skill in imparting knowledge to his students, especially in the Tamil language; that though the guiding principle of the Remodelling system might be to remove all the unpassed masters from the Roll, yet, the length of petitioner's service & the care, with which he was discharging his duty for upwards of 20 years, (not Superior service 7-9-29) entitle him to an exceptional consideration; that the nature of his work & the manner, in which he

performed it, allowed him no time or strength for private study to pass his examination; that the pupils taught by him generally obtained 3/4 of the maximum number of marks in the examinations.

Prays, therefore, that Govt. may reconsider their order above referred to and sanction the payment of a gratuity to petitioner.

With report from the Director of Public Instruction, d/ 10th April 1878 No. 1402.

---

discharge of one officer to make room for another better qualified is not the abolition of an appointment within the meaning of this section"

(2nd that there must be "a real saving to Government". Both elements are wanting in this case. A special application may be made to the Govt. of India but the case will be a precedent, the educational Depts have turned out the men in their zeal for immediate reform (at least one such case has come up & is now under reference to the Acct-Genl) and will doubtless turn out more if a gratuity is granted in this case. The burden will be one that the Govt. of India will naturally object to.

There seems no reason why the change in the schools should not be gradual.

The Petr. was an efficient teacher though he had not passed certain standards (educational). Any way the G.O. (12th April 76 No. 132) contained no provision for pensioning the masters thrown out by Remodelling the schools & it specially approved a suggestion of the Director of Public Instruction that such men should "gain their livelihood by opening small schools". (See para 6 of this letter.) The present Petitioner has obtained employment with the

American Mission
so do not want

Sd.

Under the Explan.n spending there is no means of giving Petr. any gratuity. But the case is an extremely hard one. The man having been summarily dismissed after upwards of 19 years specially good service. I would tell the D.P.I. that the Govt. do not approve of such inconsiderate ~~administration~~ of the Dept. & must ~~not~~ hope that no further cases of the kind will come under their notice. If the other case mentioned by the Under Sec. is parallel with this perhaps this and that may be kept back & both disposed of together.

Case

Petition

No. 165 of 1878 Dd. 16th January 1878

Recd 17th " "

From M. Shéshaiyangár, late Asstt. Master of the Taluq School, Tindevanam, South Arcot Distt.

Referring to the Government order No. 318 dd. 19th June 1877, Pension Deptt. expressing the disinclination of Govt. to sanction the payment of a compensation gratuity to petr., represents that he has faithfully & earnestly discharged his duties during his long service of 20 years; that though an unpassed candidate, he was always held in high esteem by his official superiors & was

once

165

Referred to the Director of Public Instruction for report.

2. It is observed that the Petitioner was reported to be "an obedient & hardworking master much interested in his work" and it should be stated why he cannot be provided for as suggested by the Dy. Inspector of Schools (Cuddalore circle) in his letter to the Director dated 25th May 1877, No. 710 or otherwise.

Fort St. George
4th Feby 1878

Despd. 5/2/78
To the Dr. P.I.

once pointed out by the Dy. Inspector of schools as a Model teacher, owing to his efficiency, & skill in imparting knowledge to his students, especially in the Tamil language; that though the guiding principle of the Remodelling system might be to remove all the unpassed Masters from the Roll, yet the length of petr's service and the care, with which he was discharging his duty for upwards of 20 years, entitle him to an exceptional consideration; that the nature of his work and the manner in which he performed it, allowed him no time or strength for private study to pass his examination

examination; that the pupils taught by him generally obtained 3/4 of the maximum number of marks in the examinations.-

Prays, therefore, that Government may reconsider their order above referred to & sanction the payment of a gratuity to petitioner.-

not shown in the gratuity Application, because I was under the impression that all leave except "leave on forfeiture of full pay" counted as service, qualifying for pension or gratuity; but as I now find from the Accountant General's remark that this is not the case, I beg to request that the period of leave in question may be deducted out of the period shown in the column headed "Period reckoned as service" at page 2 of the application.
