Certified that I J. Lancaster Surgeon
Ag. Civil Surgeon Combatore, have
carefully examined Jameed Khan
son of Kareem Khan, a poor in the
Taluk of Erode. His age is by his
own statement 65 years, and
by appearance about 65 yrs. I consider
Jameed Khan to be completely and
permanently incapacitated for further
service of any kind in the Depart-
ment to which he belongs, in con-
sequence of old age and infirmity.
His incapacity does not appear to
me to have been caused by irregular
or intemperate habits.

Memo:

1. In the Service Register, the date of first appointment is given as 23rd August 1842; this is according to the Sakeed of appointment, but pay was only drawn from 24th August 1842 -

2. In his deposition dated 17th January 1876, the applicant states that his age was 62 years; before the Civil Surgeon, on 8th June 1876, he stated his age to be 65 years; in his Service Register the date of his birth is given as 20th February 1820, according to which his age on 20th February 1876 would be 56 years - These discrepancies doubtless due to the applicant's ignorance of the correct date of his birth, are not of importance, since the Civil Surgeon has declared him as 65 years old by appearance*, and permanently incapacitated for further service -

3. The reason for not obtaining a medical certificate before discharging the applicant is explained by the Sub Collector in his letter attached as owing to the statement of the applicant that he was over 60 years of age when he applied for permission to retire -

4. The delay in the submission of this application was owing to several inaccuracies in the

before the Civil Surgeon for the necessary
disqualifying certificate - It was owing
therefore to Jameed Khan's misstatement
of age in his application for pension
that he was discharged without a
medical certificate - If he was over 60 as
he stated, no such certificate was necessary
and of course I had to act on the supposition
that he was over 60 when I received the
Tahsildar's report -

The mistake was rectified as soon as
the correct age was ascertained -

Sir,

In returning the Service Register
of Jameed Khan late peon of Erode
Talug, received with your memo no. 1132
of the 2nd December last, I have the
honor to report that the Tahsildar who
was directed to explain the discrepancies
referred to therein states that the date
of Jameed Khan's first appointment
as peon on Rs 3 - 8 - 0. was entered
in the Service Register as 7th August
1842 with reference to the old Baravards
in the Talug, that on a reference to
Tahsildar no. 73 of 24th August 1842
(herewith sent) relating to the appoint-
ment of the above man he learns that
order has been issued to get work
done by him from the 23rd August,

the Service Register which had to be detected
and rectified in the Collector's office; the last
letter from the Division office on the subject
is dated 3rd February 1877 (Copy attached) -

A further reference about the applicant's description
marks and age was only replied to on 19th May 1877 -

Sir,

With reference to your letter of the
4th Instant, No. 848, requesting me (1) to
explain why (Jameed Khan) was recommend-
ed for Pension while he resigned, and (2) why,
if he was unfit from old age, a medical
certificate was not obtained before discharg-
ing him under Section 50 of the Civil Pension
Code, I have the honor to state that Jameed
Khan applied to the Tahsildar of Erode for
Pension stating that he was 62 years of age
and 37 years service (vide his application
enclosed) and upon the Tahsildar reporting
this to me I directed that Jameed Khan's
resignation should be accepted at once
and a Service Register for pension prepared
in the usual course -

When the Tahsildar submitted the
Service Register, I observed that Jameed
Khan's age was under 60, and I therefore
directed him immediately to appear

P. S. S. S.

that therefore the entry in the Taluq records as 7th August and that in the Huzur records as 24th are not correct and that the entry of the date of Jameed Khan's last appointment on Rs 6 as 1st December 1865 for 1st January 1863 is a clerical error -

2. I request that the Tukeed above referred to may be returned to me when no longer required -

Translation of Enrode Sahibdar's Azyi No 61 of 1877 to the Subcollector of Coimbatore -

I perused your honor's takeed No 65 of 6th Instant, in which I am directed to report what I meant by the words "Lame by the fit of the left leg" as entered in the 17th Column of the application for pension on behalf of Jameed Khan, late peon of this Taluq -

On examining Jameed Khan, his left leg does not appear to be distorted, but is in its ordinary state. About 15 years ago, he was subject to fits which caused a (4-5-6) false joint in his (or on) buttock above the left knee. He cannot therefore walk freely; but is limping - Consequently it was entered in the application that he was lame -

Jameed Khan has deposed that he has no record to show the year, month or date of his birth; that his father was telling that he (deponent)

was born on the 20th February 1820;
that remembering the same he got it
entered in the Service Register; that he
does not know how old he is now; that
he may be ^{about} 63 years old; that in his
deposition given in the Salug last year,
he has stated that he was 62 years
old; and that he remembers having
stated to the Doctor, who questioned him,
that he was 62 years old; but that
as the Doctor employed a third
person to interpret what he (deponent)
stated, he does not know with what
meaning the above 3rd person interpreted
his statement to the Doctor. His deposition
is herewith sent -

March 1877 respectively, I have the
honor to enclose translation of an Arzi
from the Sahildar of Brode dated
13th Ultimo, No. 61, giving the required
information -

2. It would appear that Jameed
Khan was about 15 years ago subject
to fits which brought about some disorder
in his left leg and that since then
he has been a little lame - As regards
his age, no authentic information is
available besides his own verbal state-
ment, as contained in the deposition

you refer to - Applicant says that
he made the same statement before
the Civil Surgeon -
