My dear Martin No reconciliation can hardly be effected between two opinions so antagonistic as "fit" and "unfit" – I enclose a note from Dr Van Someren and I am inclined to advise that the decision of the Com^{e} be accepted in preference to that of the Medical Officer who signed the former Certificate –

I have had a conversation with the D. S. G. and he expresses himself satisfied with the present condition of the man's physical health –

DO

Madras
22nd June 1877

My dear Dr Smith

Serjeant Boyle, on appearing before the Committee, asserted his ability to perform his duty! He states that he was never incapacitated for its performance by having to go into hospital for the treatment of piles; and the Committee had no record of his case to refer to, nor any proof that means had been adopted for removal of the haemorrhoids! With this negative evidence on the one hand, and the positive statement of the man that he felt himself quite equal to his work, I do not see how the Committee could do aught but report him "fit for further service". His appearance did not contradict such a conclusion, while all that we could learn from him led us to form a very different opinion from that of Surgeon Major Cotrick. To the opinion we expressed I cannot but adhere. I have no doubt my fellow members — were they consulted, [illegible] to be consulted, would adhere too!—

The "varicose veins", stated as a disqualification, did not appear to us a sufficient reason for invaliding a man, whom they had not, to our knowledge, once incapacitated for the performance of his duty! I certainly would not

"Enlist" a man with them — nor have I ever been a party to discharging a man on their account unless they were so severe as to unfit him for his work!—

Yours truly

THE undersigned has the honor to request information on the following points

1 Why was the applicant shewn in the Register of application to have been under Suspension for one month from 1st December 1875, while from the Audit Register and Pay bill on record in this Office he appears to have been suspended from the 12th Idem.

2. If he was suspended for a month only either from the 1st or 12th December 1875; was he reinstated in his appointment on the termination of the period of Suspension?

3 If so reinstated when did he draw his pay for the period between the date of his reinstatement

reinstatement and 1st March 1876 as the Pay bills on record here shew him to have drawn his pay only from 1st March.

4. The applicant's age on the date of retirement from service was less than 55 years, so that a medical certificate of unfitness for further service should have been sent with the application. It is requested that this omission may now be supplied

Please send copy of G O dated 19th March 1877 No. 700 Judicial Department referred to in letter No. 1705 of the 18th Instant, and that, under which he was reinstated in 1876 after the expiration of the period of suspension.
