Gratuity.

Read the following papers:—

From the Inspector-General of Police, dated 18th June 1877, No. 2719.
" *Accountant-General, dated 20th June 1877, No. 322.*

ORDER THEREON, 2nd July 1877, No. 341.

Sheik Bundaji, late a second-class Constable of the Madras Police Force, served in the Nellore District for twelve years, eight months, and eleven days. His eyesight failing him he was ordered, on the 1st November 1876, to attend Hospital for treatment, but failed to obey orders owing to the ignorant dread of such institutions so commonly prevalent amongst natives of the lower class. For his disobedience he was, on the 11th November 1876, after twenty-one days' absence without leave, struck off the strength of the District Force under Police Departmental Orders, and has thereby forfeited his prospect of a gratuity. But as in his recent tour through the taluq in which the applicant was last in service he (the applicant) was brought before the Superintendent of Police, and found to be stone-blind and in a state of extreme destitution, that officer, compassionating his condition, had him examined on the 23rd April 1877 by a Medical officer, and now submits his application for a gratuity. The Inspector-General of Police in forwarding the papers recommends this may be treated as a special case.

2. The Government are of opinion that the present case is one calling for special consideration and a liberal interpretation of Sections 48 and 49 (1) of the Civil Pension Code (3rd Edition). The aversion amongst natives of the lower class to hospital treatment is a matter of notoriety, and therefore the applicant's disobedience, though reprehensible, was intrinsically but a venial fault. It is observed that the applicant's character is stated to be good.

3. In these circumstances, His Grace the Governor in Council resolves to cancel the order removing Sheik Bundaji from the Police service as a deserter, and is pleased to grant him an invalid gratuity of Rupees 84, equal to twelve months' pay, under Sections 52 and 109, Scale A, of the above Code.

Re:

In forwarding letter N^o: 316 of the 26th
April 1877 from the Superintendent of Police,
Nellore, I have the honor to request that a gratuity
may be sanctioned as a special case to Sheikh
Bundagi late a 2nd Class Constable N^o: 932 of that
district.

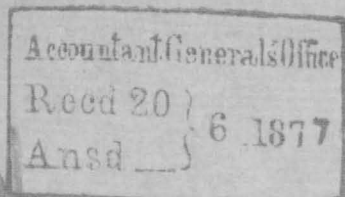

2. He served in the Police Department for
a period of 12 years, 8 months and 11 days and
when ordered to go to Hospital on 1st November 1876
for treatment on account of his failing eyesight
absented himself through an ignorant dread of the
Hospital treatment in such cases and was consequently
struck

struck off the strength of the District Force as a deserter according to departmental orders after 21 days' absence. The Superintendent of Police having subsequently discovered that the man had become stone blind, on reconsideration of his case ordered him to appear before the medical officer at Nellore who declared him to be unfit for further effective service of any kind through complete blindness &c. on the 23rd April 1877. His character is stated to have been good.

3. He would have been entitled under ordinary circumstances to a gratuity of Rupees 8/- being his pay for twelve months according to his election under the superannuation Fund Rules.

2. He was serving in Rahoor Taluk and
when his sight was found to be failing he was ordered
into Hospital for medical treatment on the 1st of No-
=ember, 1876, but failed to obey owing to the ignorant
dread of English eye-surgery which commonly pre-
=vails among the lower classes in the country; he was in
consequence, after 21 days, struck off as a deserter.

3. In my recent tour in Rahoor Taluk he was

I promised that if he would come into a village and obtain the necessary Medical Certificate I would endeavour to obtain the usual gratuity for him. I believe it would not be the wish of the Government that a man should under the circumstances forfeit his gratuity. He was a very well conducted Constable.
