Certified that we have carefully examined Constable No. 783 Moothoocamachy Pilly son of Moothukarupa Pilly in the Police Establishment Madura. His age is by his own statement 40 years and by appearance about 45. I consider Moothoocamachy Pilly to be completely and permanently incapacitated for further service in the department to which he belongs in consequence of defective eyesight and weakness

His incapacity does not appear to us to have been caused by irregular or intemperate habits.
