FORT SAINT GEORGE, 14th April 1877

In returning the enclosed Service Book and pension applications submitted on behalf of Robert Labeyrie, late Clerk in the District Engineer's Office, the undersigned has the honor to request that the District Engineer Bellary will be good enough to state whether Mr. Labeyrie's services for the periods marginally noted have been verified from Pay abstracts or acquittance Rolls. The applicant's services for these periods cannot be verified from the Audit Registers of this Office owing to the non entry in them of the names of incumbents. In the event of the applicant's services for the above periods not being verified from abstracts &c. his affidavit should be taken and the evidence of two or more

Contemporary servants obtained — agreeably to rule 4 section 74 of the Civil Pension Code and forwarded to this office in support of the applicant's services for the periods in question..

2. According to the entries in the audit Registers of this Office, the applicant appears to have been employed as acting Head Writer on Rs. 50 from 1st October 1862 to 27th January 1863, and as 1st Copyist on Rs. 30 from 1st January 1864 to 31st July 1864, but the applicant is shewn in the History of service of the enclosed application that he was employed as acting Head Writer from 1st October 1862 to 26th January 1863 and as 1st writer from 27th January 1864 to 31st July 1864. The cause of this difference should be explained..

3. It is observed from the entries in the History of service of the application and Service Book that the applicant was acting Register Clerk on Rs. 40 from 9th to 24th May 1866. No information on this point can be traced in the Audit Registers of this office. It is requested that the pay abstract or other document that proves the applicant's above employment, may be forwarded to this Office for reference.—

Certified that I Surgeon James Anderson Laing M.B. Officiating Civil Surgeon Bellary have carefully examined Mr. Robert Labeyrie son of Mr. William Labeyrie 1st Clerk in the District Engineer's Office Bellary. His age is by his own statement 50 years, and by appearance about 55 years; I consider Mr. Robert Labeyrie to be completely and permanently incapacitated for further Service, in the Department to which he belongs, in consequence of old age and infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.—

4 of testimonials.

With reference to your Memo No. 12 Bk. dated 14th April 1877, I have the honour to retransmit the pension papers of Mr. Labeyrie as per margin and to offer the following observations in connection therewith.

From 10th March/55 to 30th April/58.
From 1 May/59 to 30 April/60.

2. Para 1 of your Letter. Pay Abstracts or acquittance Rolls are not forthcoming in this Office for the Verification from those documents of the first two periods of services noted in the margin.

3 According to the entry in the printed List of Establishment for 1860 Mr. Labeyrie's service in the Department dates from 10th March 1855. The enclosed original testimonials &c. which were produced by Mr. Labeyrie and also other returns of Establishment &c. in the records of this Office shew that he was employed in the Department during the periods in question. Captain now Colonel Fischer who was the

District Engineer at the time, remarks in Mr. Labeyrie's Service Register dated 28th May 1862 as follows – "Mr. Labeyrie has been employed in the P.W.D. for more than 7 years" This Office, I am informed, knows Mr. Labeyrie very well. A reference may be made to him if necessary. Doporsawmy Modr. an Accountant in your Office also, I am informed, knows the Applicant.

5. His Service from 1st April 1863 to 30 June 1863 has been verified from the pay Abstract Books in this Office.

6. Para 2. The cause of the difference in the dates noticed here, is not traceable. The dates entered in the Service Register are correct according to the entries in the Pay Abstract Books of this Office.

7. Para 3. A copy of the paper pay abst. relating to the applicants service as acting register Clerk from 9th to 24th May 1866 is herewith forwarded

8. Para 4. The average emoluments &c have been corrected, and a memo shewing how the calculation has been arrived at, is enclosed for reference.

9. In conclusion I request that the pension papers may be disposed of at your earliest convenience.
