Affidavit made by G. Martin late Head Writer of the District Court of Coimbatore before J. H. Kindersley Esqre District Judge of Coimbatore.

I drew my full pay for the months for which I am stated in the Trichinopoly District Judge's letter to have drawn no pay or to have drawn only a portion. The months noted are those during which I was away from the Head Quarters on Circuit with the Circuit Judge and drew my pay or a portion

of it from the Treasury of the
Station where I happened to be
under separate bills. I cannot,
however, at this distance
of time, give particulars
of those payments at out
stations &c. I solemnly
affirm that I actually
drew my pay in full for
all the periods in question.

My statement in my
former affidavit that during
the above periods I had
sick leave for two or three
weeks and that no deduction
was made from my pay

is to the best of my recollection, correct.

To,
The Honorable D. F. Carmichael.
Chief Secretary to Government
Fort Saint George

Sir,

1. I have the honor as directed in the order of Government No 902 of 13th March to submit the application for pension of Mr. Martin, Head Writer of this Court. The application has been delayed pending the verification of Mr. Martin's service in the Trichinopoly Court, and also owing to the adjournment of the Court and the selecting of a successor to the appointment.

2. Mr. Martin's service extends over a period of 52 years during the whole of which time he has discharged his duties most satisfactorily and without any fault.

3. The testimonials received by Mr. Martin from the several Judges who have from time to time presided over the Court speak highly for Mr. Martin's character and efficiency - and I can fully endorse the opinions of my predecessors.

4. Mr. Martin has also been one of the Municipal Commissioners for this Town for the last 10 years, and the fact that Mr. Martin has been retained on the Commission for such a length of time also speaks highly for him; and Mr. Wedderburn, the President, has certified[x] that for the last 8 years Mr. Martin has come under his personal observation and has been most zealous and energetic in promoting sanitary improvements.

[x] Enclosure No:

5. Considering then the high character which Mr. Martin bears and the length of time during which he has faithfully served Government without any fault, I trust I may be allowed to recommend that as a special case Mr. Martin may be provided with a pension above the scale laid down by the rules. Mr. Martin's pension will under the rules be only Rupees 35 a month, and that is hardly sufficient to maintain Mr. Martin in the comfort to which his long and faithful services seem to entitle him, especially as Mr. Martin is by his now advanced age practically debarred from taking up any business so as to supplement the pension which Government may be pleased to grant.

6. Trusting that Government will take a favorable view of Mr. Martin's case.

I have the honor to be
