The applicant's service from 18th February to 4th August 1857 has been classed as not reckoned as service under Section 13 of the Civil Pension code as it was rendered before the completion of 22d year of age.

The applicant's services from 5th August 1857 to 2nd October 1876 have been duly verified from the Audit Registers on record in the Office of the Examiner of Public Works Accounts with the exception of his services from 5th August 1857 to 30th April 1858 and from 1st October 1859 to 30th April 1860 which cannot be verified owing to the nonentry in the audit Registers of the names of incumbents.

The two latter periods have however been verified by District Engineer Ganjam from the General Register maintained in the Chikakol Division. Vide his letter No 19.13. dated 24th July 1877.

I consider G Iyannah Pattey to be completely and permanently incapacitated for further Service of any kind in the Department to which he belongs in consequence of Beriberi and partial loss of power in the upper extremities. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

FORT SAINT GEORGE, 9th December 1876.

Memorandum

In returning the pension application and Service Book submitted on behalf of G. Iyannah Pathy late Head Accountant of the Berhampore Division the undersigned has the honor to request that the District Engineer Ganjam will be good enough to state whether the Services of Iyannah Pathy for the periods marginally noted have been verified from the records of the District Engineer Ganjam or from those of the Divisional Offices, as they cannot be verified from the Audit Registers of this Office, owing to the names of incumbents not being entered therein.

From 18th Feb: 1857 – To 30th April 1858
" 1st Oct: 1859 – " 30th April 1860.

2. If Iyannah Pathy's Services for the periods in question, cannot be verified owing to want of records, his affidavit should be

be taken and the evidence of two or more of
his contemporary servants collected
agreeably to rule 4 section 71 of the Civil
Pension Code.

3. It is observed from the audit
Registers of this office that one G. Iyasawmy
was employed as writer and Estimate
maker on Rs. 25 from 1st May 1858 to 30
April 1859 under Sub Engineer Colgetroum.
Information should be furnished whether
Iyannah Pathy is the person that was so
employed and if so whether he was also
known by the name of G. Iyasawmy.

4. According to the entries in the
History of Service of the enclosed application
the applicant held the appointments of Writer
and Assistant Accountant and writer on
Salaries of Rs. 20 and 30 from 1st May 1860
and 1st October 1865 respectively but the
entries in the Audit Register show that
Iyannah Pathy did not commence to draw
pay at those rates, until the 1st January 186
and 18 October 1865. The cause of this difference
should if possible be explained.

5. The entries in the Audit Register
of this Office further show, that the applicant
drew pay as Head Accountant at Rs. 60 per
mensem from 13 December 1873, the increased
rate of pay overdrawn by him from 22nd
November

Lr. No. 582 (b)

17

November 1873 having been retrenched from
his pay for January 1874 under the
instructions issued in this office Disallow-
-ance No. 825 dated 6 January 1874. He is
however shown in the History of Service
to have drawn pay at Rs. 60 from 22nd
November 1873. It is requested that the ne-
-cessary corrections may be made in the
History of Service and the entries against
items 10 and 11 on the 1st page of the
application revised accordingly.

6. The entry made against item
8 "Inferior" should be noted against "Non-
qualifying" as the applicant does not appear
to have been employed in the inferior Grade.

7. Clearer distinctive marks, i.e.
the color of the complexion &c. of the applicant,
should be noted against item 17 on the 1st
page of the application, with a view to the
applicant's identification being made
certain. The column "How verified" in the
2nd page of the application should also be
completed with the required information.

8. It is requested that the application
may be returned with the District Engineer's
signature on the 1 and 3d pages.

9. It is observed from the entries
made in the enclosed Service Book that
the applicant's dates of beginning and
end of service are in many instances
shewn

shewn to be the same. The necessary corrections should be made and the date and reason of termination of the applicant's last appointment entered in the Service Book.

1 application of G. Iyannah Patty to Examiner
4

Sir,

In reference to yours No 110 G.A. dated 6th December 1876, I have the honor to resubmit the pension application &c on behalf of G. Iyannah Patty late Head Accountant of the Berhampore Division with the following information on the several points therein alluded to.

As regards the Entertainment of G. Iyannah Patty from 18th February 1857 I enclose herein an original order of entertainment granted to him by the Sub.

Sub Engineer A. Colquhoun and as regards the periods alluded to in para 1 of your letter viz from 18th Feby 1857 to 30th April 1858 and from 1st October 1859 to 30th April 1860, it is observed from a General Register opened in the Range Office Chicacole during the time of Mr. Irving that G. Iyyannah Patty was continuously employed as Sub Engineer's writer on a salary of Rs 25 per mensem for a period of Years months Days 2 - 7 - 13 and in the capacity of Gumastah for 7 months on Rs 15 when the Range Establishments were originally organized under orders of the Chief Engineer vide Circular No LXIX of 11th August 1859 which in all amounted to years m Days 3 - 2 - 13 service under Mr Colquhoun when he was promoted on the 1st May 1860 as writer on Rs 20 on the same Establishment, Consequently

consequently it is presumed that the entry of G. Iyyasawmy in the Audit Register of your office is a mistake - G. Iyyannah Patty was never known by the name of G. Iyyasawmy.

It is further observed from the certificate granted to G. Iyyannah Patty by Messrs A. Colquhoun and Brien that the former Officer certified that G. Iyyannah Patty had served under him for about 6½ years and the latter for 9 months which if compared with the dates of those Officers' making over charge viz. about July 1863 and 2nd April 1864 respectively it would appear that the time lapsed between the entertainment of G. Iyyannah Patty and that of the dates of these Officers' certificates nearly amounts the service claimed on behalf of G. Iyyannah Patty viz. 7 years 2½ months i.e. the time between 18th February 1857, the

the date of G. Syamnah's entertainment and 2nd April 1864 the date of Mr Brien making over Charge of the Range to Mr Irving.

In reference to para 4 of your letter the date of G. Syamnah Pattoo's promotion to 20 Rs has been entered 1st May 1860 in the General Register of the Range office Chicacole and attested by Mr Irving and the 2nd difference between 1st and 18th October 1865 it may have been taken the time taken up by G. Syamnah Pattoo on his transfer in joining Berhampore Range as Deputy Accountant on Rs 30- As the pay abstracts &c in the Berhampore Range of that year are not forthcoming the 2nd difference cannot be explained well.

As regards para 5 the correction pointed out therein is made in the history of service and the entries against 10 and 11 in the 1st page of the application are revised accordingly.

As regards para 6 the entry made against item 8 "Inferior" is struck out and noted against "non qualifying".

The color of the complexion &c &c of the applicant is noted against item 17 in the 1st page of the application. The column "How verified" is completed as far as possible.

The pension application is herewith returned with my signature on the 1st and 3rd pages.

The necessary corrections as to the applicants dates of beginning and end of service are made in the service book as requested.

As the records transferred to this office from the old Superintending Engineers office are incomplete too many

many references have had to be made to the Range Officers on the subject: hence the delay.

I have the honor to be
