3rd Range Officer

Declaration made by Subinaldoss Rajanah, Delta Gumasta in 2nd or Bapatla Range Kistna district upon oath before Sub Engineer E. Lambiah Chetty Garu.

1. That I was appointed Delta Gumasta on 20 October 1856, and have served the Government till the 28 January 1858 without any breaks such as resignation suspension or dismissal. That the Accounts of appointment and several other characters I obtained from time to time during the above period from my superiors were totally destroyed by the Cyclone of 1864. That I further state that Malam Seemiadoss Delta Gumasta in 1st or Repally Range, is acquainted with and can witness to the fact of my having served without breaks, as he was my contemporary Delta Gumasta.

2. That the original papers I have lately sent from Bapatla Range Officers prove my services in the D.P.W. without breaks, from 29 January 1858 to 5th November 1867, and the Service Registers in that office strengthens this statements.

3. That, in addition Sub Engineer Lambiah Chetty Garu and Sub Engr. Mr. D. Cordier Esqre also witness to the fact of my having served the Deptt, from January 1859 to June 1864, and from the latter date upto 1873, respectively.

4. That since my enlistment I never received or met with suspension or dismissal That I only took leave for one month without pay, and three or four sick leave - That I have solemnly declared as far as I remembered. 22nd Feb 1876. (sd) Subinaldoss

Enclosure No 2 to Letter No 97 dated 4th August 1876

Statement made by Nalinela-
-doss Rajanah, late Delta Gunnasta
in Bapatta Range Kistna District.

Having been directed to afford
information on paras 2, 3, 4, 5 & 6 of the
letter No 97 dated 4th August 1876, from
the Examiner of Public Works Accounts
to the Superintending Engineer Kistna.
I subjoin the following true account.

The post of Maramut Gunnasta
I held prior to my entrance into
Delta Gunnastas post on 20th October 1856,
was a temporary one, and consequently
that period of service was not
included in the Service Register.

From the commencement of
Kistna Anicut construction in 1852,
I was employed in the above temporary
places, at different rates of salaries
of 6 and 8 Rupees per month, during those
several years, from the superinten-
dence of the works on which I had been
engaged. I gave up the temporary place,
because I had the permanent place
of Delta Gunnasta.

As I had completed to the satis-
faction of the Range Officer, Juggeiah
tank work and other accounts alluded
to in translation marked 2, full pay
without stoppage was allowed to me
from 17th July 1856.

The

one months'

The leave on substitute said to have been granted to me from 16 April 1860, in translation marked 7, is no more than the privilege leave shewn to have been granted to me from 1st to 31st May 1860, in page 2 of the Pension application.

The one months' leave said to have been availed of by me in January 1863, in translation marked 14, was the leave granted to me on substitute in forfeiture of full pay.

Your letter dated 19 instant

The boundary sections of the Budaun village fields, should be measured, and detailed measurement statements, together with those of flood bank, submitted to this office. On completion of the flood bank work, all the Mudders must be made to work on Juggiah tanks. First, ascertain Budaun Caranams whether the villagers agree to renew the construction of 5 or 6 sluices of the tank themselves, and if they agree to do so, they must be informed that they are bound to construct the tank bank also - If otherwise, recover the Rs 12 already advanced to Caranam for this work, and repair the requisite portions, within 10 days, after which you should not remain there
