Read the following paper :—

From W. DONALD, Esq., Officiating Accountant-General, to the Secretary to Government, Pension Department, dated Fort St. George, 21st September 1877, No. 717.

With reference to G.O., Pension Department, No. 465, dated 29th August 1877, I have the honor to state that, although under Section 56 (1) of the Civil Pension Code an uncovenanted officer who has attained the age of 55 years may be required to retire by the Local Government when it is deemed expedient by them, yet the head of the office should under Section 56 (3) furnish the certificate of inefficiency either by age or infirmity if the officer is below 60 years old ; and that, in the absence of such a certificate, a superannuation pension is not admissible.

2. In the present case the certificate of the head of the office is not furnished, though the Government think that Mr. Caldwell's reappointment is not expedient.

3. In the absence of provision in the Code for the grant of a superannuation pension on the grounds stated by the Madras Government, I respectfully request that the proceedings under acknowledgment may be submitted to the Government of India for confirmation.

ORDER THEREON, 26th September 1877, No. 519.

The proceedings in Mr. Caldwell's case will be submitted for the confirmation of the Government of India accordingly.
