Affidavit given by Vunnuttala Hanumanta Rao Puntulu, the late Dy. Tahsildar of Pittapur, now residing at Rajahmundry.

I understood the contents of the order of the Collector dated the 6th Instant No. 15 to the Tahsildar of the Rajahmundry Taluk and I now file 13 Orders issued to me for different posts I held under the Government Commencing from March 1851, up to the 10th July 1876. It appears from them that I am actually employed in Government service in the periods mentioned in the orders. After I got into the Service, suspensions &c. were never done in my case. I have obtained two months leave in January 1875, and 2 months, 20 years ago. I got the first leave for Pilgrimage and the last on account of sickness. I have neither recollection nor any proof for the leave now and then obtained. It ought to be known from the accounts. As it appears from the Orders I filed, that I had been uninterruptedly employed in Government Service; it does not appear necessary to prove by some one who did work with me.

Such

such people are not here at present. I want the Orders to be returned to me when they are no longer required.

I am at present employed as the Deputy Post Master at Almur since the last 2 years. Before that I was a Taluk Tappal gumasta at Alamur from the 7th August 1864 up to the time I was appointed to my present post of Dy. post Master. Vummettala Hanumanta Rao Puntulu gar was then the Sub Magistrate of Alamur on a monthly pay of Rs 70. I was employed under him. The above Hanumanta Rao Puntulu gar held the Sub Magistrates post at that station up to the end of December 1866. In this period he has had no break of the service in the way of dismissal or suspension. Nor have I recollection that he had obtained leave at that time. As he was uninterruptedly employed at that time in this station, I positively declare that he had been the Sub Magistrate at this station in the months of March, May & November of 1865, as well as in January, May & November of 1866. As I had come to this place in the month of August 1864, I can not tell that he was in this station in the month of December 1863. But he was Sub Magistrate in this station before I came to this place. Before I came to this place Hanumanta Rao Puntulugar received his pay at Rs 50 for some time. He subsequently received at 70 Rs. I cannot tell exact dates –

Vummettala Hanumanta Ráo Puntulu gar who was the late Dy. Tahsildar of Pittapur, was appointed as the Sub Magistrate of the Yalaiswaram Division in November 1861 and was in 1863 appointed as Alamur Division Sub Magistrate. He again came as Dy Tahsildar of Yalaiswaram Division from the Alamur Division. He was appointed as Acting Tahsildar of Peddapur in 1868, and he again came in the same year as Dy. Tahsildar of this Division. Afterwards he was appointed in June 1870, as Dy. Tahasildar of Pittapur. As I have been employed in this Taluk for some time as Dusterbund & afterwards as a Gumasta when the above Hanumanta Rao Puntulugar was Sub-Magistrate and Dy. Tahsildar in this Division, I know the above circumstance. I do not know the fact of his holding the Peishcar's post in the late Lingamparti Taluk in the years 1861 and 1862.

Then Burahanodeen Sahibgar was Submagte. Since then I have been a peon in this Division upto today. The abov Burahanodeen Sahibgar was transferred from this station to Prattipad. Afterwards Vummettala Hanumanta Ráo Puntulu gár came as Sub Magistrate, and he had been in this station without any break of service from 1863, I recollect May, up to the end of 1866. He had no dismissal, suspension or leaves in that period. He went from this place as Sub Magistrate of Prattipadu. Fort Saint George,

FROM THE ACCOUNTANT GENERAL, MADRAS,

TO THE Collector of Godavery.

VIDE *your Application for* Pension *on behalf of* H. Hanoomunthea Row the late Dy/ Tasildar of Pettapur.

THE undersigned has the honor to Request information on the following points.

1. What is the correct date of the applt. transfer from Alamur to Elesweram Division. Whether 7 January '67 as traceable in the Pay bills & Audit Register on record in this office or 24th November '66 as shewn in the Register of Application.
2. Whether the Applicant had any leave from 19th to 29 January '67. If so why was it omitted in the History of Service.
3. Why was the Medical Certificate of the Applicant's unfitness for further service not obtained in the form prescribed in Section 54 of the Civil Pension Code

of paper attached to the Pay abstract in question.

3 Dr. Hanks, the late Civil Surgeon of Cocanada certified applicants incapacity for further service, but he did not grant the Certificate in the prescribed form. The applicant, after being examined by the Civil Surgeon, went to Pittapur and the Civil Surgeon forwarded the Certificate with his letter (copy of which was already forwarded) to the Collector and it took 8 days' time before the order of his reduction from the Collector reached him and he was ultimately reduced.

4 The Applicant has a son named Kristanandarow, residing at Rajahmundry of this District who has stated that he is the legal heir of the deceased and that the

the arrears of pension may be granted to him.

5 The delay of 11 months in the submission of the application is partly due to the search of the records for various periods, and partly to the applicant's not presenting a formal application for retirement, although the Civil Surgeon of Cocanada certified his incapacity for further service. At last, the late Acting Collector Mr. Hope ordered that unless the applicant submits a formal application, his claim for pension would not be admitted and that he would at once be dismissed. He then sent his Service Register and some appointment-orders just a few days

before his death –

calculations have been duly verified.)

Should Government be pleased to accept the applicant's affidavit and the evidence of contemporary Employes in support of his seventeen months service between July 1858 and July 1876 which has not been verified and provided also Government is pleased to accept the applicant's removal from service on an informal Medical Certificate of unfitness. The examining Medical Officer who is now dead does not say whether the applicant's incapacity was not in any way the result of irregular or intemporate habits although in a letter which accompanies this report he declares that the applicant's "condition of health is such as will ever incapacitate him for the efficient performance of any duties"—

The Collector's Department should have called upon the Zillah Surgeon to furnish a Medical Certificate of unfitness in accordance with the form given in the Code and should not have removed the applicant from service on an informal certificate.

The delay in the submission of this application the Collector states was due to search of the records for verification of the applicant's service and to the applicant not filing a formal application for retirement though certified by the Surgeon as unfit— The necessity for second permission to retire does not appear necessary as the examination of an Officer to test his fitness or unfitness for further service by a Medical Officer must presumedly be at the request of the Head of the Office recorded after the applicant's intention to retire has been made known to him.

The Collector states that the applicant having died on the 18th March 1877 the arrears of pension may be paid to the deceased's son Kristanunda Row who is the legal heir.
