FROM

PENSION DEPARTMENT,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

I am directed to forward, for the confirmation of the Government of India, the annexed Proceedings of this Government in this Department, dated 6th October 1877, No. 539, granting an invalid pension of Rupees (20) twenty per mensem to Mr. Isaac Ours, late Foreman in the Government Press, under the circumstances stated therein.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,  
6th October 1877.

Secretary to Government.

*Proceedings of Government, Pension Department.*

Read the following papers:—

*From the Acting Supervisor of the Government Press, dated 13th August 1877.*

„ *Officiating Assistant Accountant-General, dated 15th September 1877, No. 694.*

ORDER THEREON, 6th October 1877, No. 539.

Application is made for the grant of an invalid pension to Mr. Isaac Ours, late Foreman, Government Press. His total service extends to nineteen years, one month, and seventeen days. After deducting one year, ~~two~~ <sup>four</sup> months, and one day on account of suspension and leave, and two months on account of breaks, his net qualifying service amounts to seventeen years, ~~nine~~ <sup>thirteen</sup> months, and sixteen days.

2. Under the strict letter of the rules he is not entitled to a pension, but to a gratuity of twelve months' pay owing to the break in the service in 1862. It appears that the applicant, while a piece-work compositor, was appointed to act on the 1st October 1862 as foreman on 60 Rupees, which appointment was abolished a month

afterwards. The applicant on the abolition, instead of being sent back to his substantive appointment, was left unprovided for, owing, as he states, to his post having been conferred on another individual by the then Superintendent, the late Mr. Smith, who also requested him to wait till a vacancy occurred. This did not take place till 1st January following when he was provided with a place. The applicant was thus out of employ for two months, but as the break cannot be considered as due to any of the circumstances mentioned in Section 48 of the Civil Pension Code, the Government are pleased to give credit to the applicant's statement in the absence of any information to the contrary available from the records of the Government Press.

3. Under these circumstances, the Government are of opinion that the break should be overlooked, and they accordingly resolve to admit Mr. Isaac Ours to an invalid pension of Rupees (20) twenty per mensem, with effect from the 3rd August 1877, under Sections 52 and 59 (b) of the above Code, subject to the confirmation of the Government of India.
