GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

6th October 1877, No. 539.

Pension.

Read the following papers:—

From the Acting Supervisor of the Government Press, dated 13*th August* 1877.
,, *Officiating Assistant Accountant-General, dated* 15*th September* 1877, *No.* 694.

ORDER THEREON, 6th October 1877, No. 539.

Application is made for the grant of an invalid pension to Mr. Isaac Ours, late Foreman, Government Press. His total service extends to nineteen years, one month, and seventeen days. After deducting one year, ~~two~~ four months, and one day on account of suspension and leave, and two months on account of breaks, his net qualifying service amounts to seventeen years, ~~nine~~ eleven months, and sixteen days.

2. Under the strict letter of the rules he is not entitled to a pension, but to a gratuity of twelve months' pay owing to the break in the service in 1862. It appears that the applicant, while a piece-work compositor, was appointed to act on the 1st October 1862 as foreman on 60 Rupees, which appointment was abolished a month afterwards. The applicant on the abolition, instead of being sent back to his substantive appointment, was left unprovided for, owing, as he states, to his post having been conferred on another individual by the then Superintendent, the late Mr. Smith, who also requested him to wait till a vacancy occurred. This did not take place till 1st January following when he was provided with a place. The applicant was thus out of employ for two months, but as the break cannot be considered as due to any of the circumstances mentioned in Section 48 of the Civil Pension Code, the Government are pleased to give credit to the applicant's statement in the absence of any information to the contrary available from the records of the Government Press.

3. Under these circumstances, the Government are of opinion that the break should be overlooked, and they accordingly resolve to admit Mr. Isaac Ours to an invalid pension of Rupees (20) twenty per mensem, with effect from the 3rd August 1877, under Sections 52 and 59 (*b*) of the above Code, subject to the confirmation of the Government of India.

Verified from the records of the Government Press the verification being c
firmed partly from the Annual Returns and partly from the Pay bills & Audit
isters on record in this Office.-

The Applicant was suspended in July 1862 for having taken the benefit of t
solvent act, but was authorized by Govt. to be re-entertained in the Govt. Press.-

The Applicant while a Piece work compositor was appointed to act on the
October 1862 as Foreman on 60 Rs. which appointment a month after was abolished -
e applicant on the abolition, instead of being sent back to his pucca appointment,
t unprovided for owing as he states, to his post having been conferred on another in
ividual by the then Superintdt. the late Mr. Smith; who also requested him to wai
a vacancy had occurred; and which did not take place till January 1st followin
hen he was provided with a place again - Thus it will be seen that the applic
as out of employ for two months, and the break in the continuity of service caus
ereby, (though it cannot be considered as due to any of the Circumstances
entioned in Section 48. of the Code (provided Govt. is pleased to give c
the applicants statement in the absence of any information from the rec
the Government Press)) cannot be condoned except by the Government of Indi
under Section 48. A. of the Civil Pension Code.-

Application is made for the grant of an invalid pension to Mr. Isaac Ours late Foreman Government Press - His total Service extends to 19 yrs 1 month and 17 days. After deducting 1 year ~~2~~ 4 months and 1 day on account of Suspension and leave, and 2 months on account of breaks, his net qualifying Service amounts to 17 years ~~9~~ 7 months and 16 days. -

2 Under the Strict letter of the rules he is not entitled to a pension but to a gratuity of 12 months pay owing

owing to the break in the service in 1862 - It appears that the applicant while a Piece work Compositor was appointed to act on the 1st October 1862 as Foreman on 60 Rupees which appointment was abolished a month afterwards - The applicant on the abolition, instead of being sent back to his piece appointment was left unprovided for owing as he states, to his post having been conferred on another individual by the then Superintendent the late Mr. Smith, who also requested him to wait till a vacancy occurred, and which did not take place till 1st January following when he was provided with a place - The applicant was thus out of employ for two months but as the break cannot be considered as due to any of the circumstances mentioned in Section 48 of the Civil Pension Code, the Government are pleased to give credit to the applicants statement in the absence of any information to the contrary available from the records of the Government Press. -
