TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

I am directed to forward, for the approval of the Government of India, the annexed Proceedings of this Government in this Department, dated 6th October 1877, No. 541, granting an invalid pension of Rupees 4 per mensem to Sheik Akbar Alli, late Duffadar, Teroomungalum Taluq, Madura District.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
6th October 1877.

Secretary to Government.

Proceedings of Government, Pension Department.

Read the following papers :—

From the Collector of Madura, dated 23rd July 1877.

„ *Officiating Assistant Accountant-General, dated 27th August, 1877, No. 55.*

ORDER THEREON, 6th October 1877, No. 541.

Application is made for the grant of an invalid pension of Rupees 4 per mensem to Sheik Akbar Alli, late Duffadar, Teroomungalum Taluq, Madura District. His total service extended to fifty years, one month, and nineteen days, and after deducting seven years and eleven months on account of being out of employ by revision of establishment and nine months and twelve days on account of break by removal for pension, his net qualifying service amounted to forty-one years, five months, and seven days.

2. Under the strict rules he was not entitled to pension or gratuity owing to the break in service in 1875, which entailed forfeiture of past service. The applicant was removed by order of the Deputy Collector, who deemed him incapacitated from further service in consequence of chronic rheumatism, but he was neither certified by the head of the office to be unfit for further service, under Section 53 of the Code, nor was a medical certificate of complete and permanent incapacity for further service of any kind obtained. The applicant, after a lapse of nine months, appealed to the Collector

and was reinstated in his situation in accordance with the opinion of the Zillah Surgeon that he was fit to return to duty and served only one month and eleven days, after which he was removed on account of old age. The irregular procedure of the Deputy Collector was productive of serious hardship and inconvenience, and the Collector will warn him against any future neglect of standing orders.

3. Under the circumstances the Government are of opinion that the service of Sheik Akbar Alli prior to the break by removal from service for no fault of his should be admitted under Section 48-A of the above Code, and accordingly sanction the grant of an invalid pension of Rupees (4) four per mensem to him under Sections 53 and 65 (b) of the Code, payable from the 1st September 1876.

4. The applicant having died since that date, the arrears of pension, under Section 92, Rule 2, of the Code, will be made payable from it until the date of decease to the son (of the deceased) who produces the certificate of heirship.

5. A copy of the above Proceedings will be submitted for the approval of the Government of India.
