Famine Relief.

Read the following paper :—

No. 635. From Colonel W. S. DREVER, Commissioner of Police, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated 18th September 1877, No. 128.

I HAVE the honor to report that, with a view to some security from fraud, I have during the conduct of famine relief operations availed myself, as far as possible, of the services of Government Pensioners. These men have worked well with but very few exceptions, and this, in a great measure, I attribute to their having received special individual allowances in addition to their pensions.

2. The Accountant-General now points out that such grants are opposed to the Civil Pension Code, Chapter XX, when the amount of pension *plus* special allowance exceeds that drawn by the person affected when he retired, and he directs me to recover the difference.

3. I have accordingly to solicit the sanction of Government to Rule 4, Section 101, of the Pension Code being made applicable to such cases.

No. 636. ORDER THEREON, 24th September 1877, No. 2,917.

Miscellaneous

UNDER sub-head 4 of Section 101 of the Civil Pension Code, His Grace the Governor in Council is pleased to sanction the temporary employment of any Civil, Military or Naval Pensioner on temporary duty connected with famine relief without any forfeiture of his pension.

2. Retrospective effect will be given to this order in respect of any pensioners already so employed.
