To

The Accountant General

Madras.

Most Honoured sir.

The humble Petition of
Yerra Ameenuddin, late warder
of the Zillah Jail Cuddapah.

Your Petitioner humbly begs leave to represent that he has been recommended by the Superintendent of the Zillah Jail at Cuddapah for gratuity; that his services have not been properly entered in the Service Book; that he does not know what services were detailed in that book, because he did not see it at all, that owing to enmity that has ~~been~~ existed between him and the Jail Superintendant (the causes of which your petitioner cannot publicly explain now). Your Petitioner has been recommended for gratuity instead of Pension, to which your petitioner is entitled notwithstanding he is quite fit for duty. Your Petitioner has not been examined, and no medical certificate was granted to him as to his disqualification for further duty. Your Petitioner, if ordered, is ready to appear before the Inspector General of the Indian Medical Department at Madras for Examination.

Your Petitioner humbly begs leave to request that your honour will pass no orders till his services have been correctly examined by him, and his inefficiency for further service is certified by the Inspector General of the Indian Medical Department, before whom he will gladly appear on receiving instructions on that subject.

Your Petitioner in conclusion humbly begs, that he may be favoured with orders soon.

Certified that I have carefully examined Yerra Ameenuddeen Son of Syed Fuckraddin, a warder in the District Jail Cuddapah. His age is, by his own statement, 55 years and by appearance, about 60 years. I consider Yerra Ameenuddeen to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of old age and infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Applicants service from 12 August 1843 to 24th July 1847 cannot count having been vitiated by dismissal for neglect of duty in letting prisoners escape though he was reemployed by the Inspector Genl. 2 years later

The inclusion or exclusion however of this period does not in any way increase the amount of gratuity which will be admissible without it.

Service from 22d October 1849 to 15th November 1876 has been verified partly from the records and diaries of the District Jail Cuddapah and partly supported by the applicant's affidavit and by the evidence of two of his contemporary employes which does not say anything about his continuity of service and the verification has been confirmed from the records of this Office for the term subsequent to 30th April 1865.

2. The Warder was paſsed his work, the Superintendent could not entrust to him the performance of a duty requiring

care or trust; the man was constantly reported for minor breaches of discipline. It appeared to me to be more in accordance with the wishes of Government to permit this old servant to retire whilst he had an opportunity of obtaining a pension or gratuity than to allow him to remain until he committed himself so seriously as in all probability to bring upon himself dismissal from the service. The pressure on the prison establishment is too severe to keep men in the service who cannot be trusted and are useleſs.
