1. The undersigned has the honor to state that 2 more marks on the person of the applicant, Revenue named, have been inserted individually. The name was omitted in the person's list of 1st April 1874, as he was granted leave of absence for 9 months from 1st December 1876 to 31st July 1877 & on the understanding that the above list was only intended to show the then present establishment existing on that date. The leave granted to him is now entered in his service book, which is herewith returned.

THE undersigned has the honor to request that you will be good enough to ascertain from the applicant whether he drew pay till 1st Decr '65 in the Military Police Dept. since it is shown in the Register of Application that he served till that date therein; and if so to get from him an affidavit to that effect and also as to how he had it. The statement being supported by the evidence of his contemporary employers since the Controller of Military Accounts, on a reference about the applicant's service states that the Military Police Estab. was transferred to the Civil Dept from 1st Decr '65. As service of men in inferior grades cannot be verified in this

the office an affidavit - evidence in support of 19 days service is necessary. An early reply is requested.

From Lunsford Lippoo solemnly affirmed states -
 I cannot state on oath whether I was employed in the military Police from 1st to 19th Dec 1860. It is long ago and I can not now and cannot recollect distinctly. I have no witnesses to call. There are no men at Trichinopoly now who were serving with me at that time.
