Sir,

In returning herewith the Assistant Accountant General's docket dated 30th July last received with your letter of the 10th instant, I have the honor to state that the house name of the individual therein referred to is "Maligai" and not "Malingay" (so erroneously spelt) in the Peon's list of 1869. His permanent place of residence is Congerai, which accounts for the entry of that name in

in the Register of applications

2. As to the delay in the submission of the Register, this is partly due to the correspondence which took place between this and Collectors and your office in regard to verification of the service list, and partly to the absence of the applicant from the station.

3. I have the honor to forward herewith the list of Peons of this office as it stood on the 1st April 1871. The order constituting the establishment for the special accts collector cannot be found amongst the records of this office, this having taken place before the establishment of the Sub collector's office.

Verified that I Edward Alfred Thimble have carefully examined Mr. N. Mornosawmy Naik M.A. in Sub Collector's Office Chingleput District. His age is by his own Statement 65 years and by appearance about 60. I consider Mornosawmy Naik to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of his old age. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
