GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

28th November 1877, No. 645.

Pension.

Read the following paper:—

From R. W. BARLOW, Esq., Collector of the Chingleput District, to the Chief Secretary to Government, dated Saidapet, 19th November 1877, No. 340.

In submitting, for the favorable consideration of Government, the enclosed petition from M. Rajagopala Pillay, lately a Clerk in the Vernacular Correspondence Department of my office, I have the honor to state that, finding petitioner unequal to active work and being of opinion that his service of over twenty-nine years would entitle him to half pension, I directed him to appear before the Zillah Surgeon.

2. On petitioner producing a certificate of physical incapacity, I had his services verified in view to submitting his case to the Accountant-General, but to my regret I find that, although his total service amounts to twenty-nine years, three months, and one day, a deduction of four years, seven months, and nine days has to be made therefrom as follows:—

	YS.	M.	D.
Service in the Devasthanam Department on Rupees 17-8-0 from 1st			
June 1848 to 30th November 1851	3	6	0
All leaves other than privilege leave	1	1	9
Total ..	4	7	9

3. It will thus be observed that, even after making these large deductions, his net service only falls short of that required for half pension by four months and nine days. Petitioner requests either that this portion of his service may be reckoned towards pension, or that he may be allowed to revert to his appointment and continue therein till he can supplement the deficiency.

4. I request, under the circumstances, that Government will, in consideration of the serious loss to which petitioner will otherwise be subjected, be pleased to grant one of the alternative indulgences sought, and I would strongly suggest the former.

ENCLOSURE No. 1.

From M. RAJAGOPALA PILLAY, Vernacular Clerk, to the Collector of the Chingleput District, dated Sydapet, 27th October 1877.

I beg to apologise for the trouble I have to give you in consequence of the serious loss which my recent retirement subjects me to. I was all along under the impression that my whole service, extending over a period of twenty-nine and-a-half years, would count towards pension, but I was surprised to learn recently that, setting aside the three and-a-half years' service rendered in the Devasthanam Department and the total period of leave, there remains a net service of twenty-four years, seven months, and twenty-one days. As matters now stand, I will be entitled only to a third pension. I entreat, therefore, your goodness that, in consideration of the great loss owing to the diminution of the trifling service of four months to complete the full twenty-five years, you will be pleased to recommend to Government for taking the three and-a-half years Devasthanam service to count towards pension or allow me to enter upon my former duty till I supplement the deficit service. As the physical unfitness urged against me is simply "a little rupture," I beg to submit that, in consequence of the difficulty attending the former alternative, you will deem it fit to show me the indulgence asked for in my second alternative.

2. As a person of a very large family, I leave it to your honor to imagine my position with the extremely scanty income, such as my one-third pension is, especially at a time when the protracted famine stares everybody in the face.

ORDER THEREON, 28th November 1877, No. 645.

His Grace the Governor in Council is pleased to sanction the retention in the service of M. Rajagopala Pillay, late a Vernacular Clerk in the Collector's Office, Chingleput, for such period as may be necessary to enable him to complete the term qualifying for the higher pension.

2. Before final orders as to the applicant's removal, his services should be verified under Section 73, Rule I, of the Civil Pension Code (third edition), so that there may be no further mistake as to their length.

It is with much regret that I am compelled to inform you that I have been ordered to leave the service of the Government of Madras on the 1st of July 1885. I have the honor to acknowledge the receipt of your letter of the 24th inst. and beg to apologize for the delay in replying to it. I have to give you in consequence of the serious loss which my recent retirement has subjected me to. I was all along under the impression that my whole service extending over a period of 29 1/2 years would count towards pension, but I was surprised to learn recently that nothing under the 3 1/2 years service rendered in the Deputationary Dept. under the total period of leave, there remains a net service of 24 years, 7 months & 21 days. As matters now stand, I will be entitled only to a third pension. I entreat therefore your goodness, that in consideration of the great
