Sir,

In returning the Service book of Janardhana Patnaik of Linepada and the Special Assistant Agent's letter received therewith, I beg to state that I made a minute and careful search into all the records. I regret I could not find any records regarding the Hill Schools for the years 1857, 58 & 59 that might enable me to verify his service. I have found copies of Pay Abstracts from November 1860 to March 1869. In the Abstracts from November 1860 to June 1864, the names of Schools only are mentioned, without the names of Masters. I have also found the list of Educational Officers prepared in 1863-64, in which it appears that Janardhana Patnaik was transferred from Shankerkole to Linepadah on the 21st November 1863, whereas it is mentioned in the Service book that the transfer took place on the 12th June 1863. A fine of 4 annas was twice inflicted once in December 1863 and on another occasion in January 1864 on the Hill School master at Linepada, who must be Janardhana Patnaik according to his Service book and the records of this Office. The Pay abstracts from July 1864 to March 1869 are complete; in which there does not appear to have been made any deduction in any month during the said period in Janardhana Patnaik's pay. But I have found among the records a letter from the teacher (which I submit herewith for your perusal) reporting his return to Linepada after the expiration of his 40 days' leave from the 7th of July to the 18th August 1866, which period I am led to believe (there having been made no deduction in his pay) must have been included in the usual vacation granted to all the masters of Hill Schools.

In conclusion, I regret I have not been able to verify Janardhana Patnaik's service in complete, as I could not find all the records of the previous years, though I closely applied myself to the task of making a minute search after them.

I beg to remain

His age by his own statement 52 years, and by appearance about 56 years; I consider Janardthen Patnaik to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of premature old age, and debility, the result of long residenc in the "Maliah Hills" and frequent attacks of Hill fever.

His incapacity does not appear to me to have been caused by irregular, or intemperate habits. He has not been under Medl. Treatment.
