GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

8th April 1878, No. 128.

Gratuity.

Read the following papers:—

From the District Engineer, Godavery, dated 15th May 1876, No. 426.

From the Examiner of Public Works Accounts, Madras, dated 15th and 20th December 1877, Nos. 248-P and 81.

From the Officiating Deputy Accountant-General, dated 9th January 1878.

Official Memorandum to the District Engineer, Godavery District, dated 25th January 1878, No. 4.

From the Superintending Engineer, Godavery District, dated 23rd March 1878, No. 3988.

ORDER THEREON, 8th April 1878, No. 128.

Application is made for the grant of an invalid gratuity to Ravanom Manickem, lately a Lock Superintendent, No. 1 Range, Godavery District.

2. The applicant's services can only be verified from the 4th of November 1863, but he himself states that he had been in the employment of Government previously and continuously for a period of twelve years, three months, and two days. He states that he was then employed as a Bricklayer Maistry on the construction of the Gannavaram Aqueduct, and is supported in his statement by the evidence of two contemporary employes.

3. No record of Ravanom Manickem's services during these years exists, and it is therefore concluded that he was during this period not a permanent servant, but on the work establishment which was paid from the work estimate. This conclusion receives confirmation from the orders appointing him a Lock Superintendent in 1863, which is simply directed to Ravanom Manickem, whereas in subsequent orders his official designation is added.

Under these circumstances the applicant's qualifying service must be held to have commenced on the 4th November 1863.

4. His Grace the Governor in Council is, therefore, pleased, under Sections 52 and 65 (a) of the Civil Pension Code (third edition), to grant to Ravanom Manickem an invalid gratuity of Rupees (40) forty, or four months' pay, for his qualifying inferior service of twelve years, three months, and five days.

Honored Sir

I most humbly beg to represent
to your honor that I drew a salary of
Rs 12 from 4th July 1851 to 3 November
1863 but I am at a loss to know whether
it was paid from a permanent source
or from Estimates, but my services during
the period in question were continuous.
The Cause of my having been degraded
from Rs 12 to 8 on 4th November 1863,
was that I was for some time a Magistrate
on Rs 12 on the Bricklayers in the
Construction of Gunnaaram Reservoir
upto 3 November 1863 and since transferred
to Adyapahanta Sub, and while
I was getting repairs done to the Sub,
in question I was ill and unable to
perform the outdoor duties and had
applied for Deputy Superintendent's post
on Rs 8 then become vacant which
was conferred upon me.

SIGNATURE OF THE HEAD OF OFFICE.

The applicant states in his affidavit and petition
that he was employed as ^{bookkeeper} in a factory ~~and subsequently~~
~~Bookkeepers~~ in the construction of jetties at various locations
on a salary of Rs 10 per month from 1st July 1957 to 31st

November 1913 but explains that he is unable to say whether the Probation must on which he was employed during the above period was permanent or temporary and whether he was paid above the work estimate or not. It is observed from the statements given by the 20 temporary servants that the applicant was employed as a Stockinger assisting in the construction of guns and as now requested during the above period. His services as assistant cannot be verified from the revised office records or from those of the Accountant General, Finance and the Office of Works included therefore that the applicant was employed in the work establishment during the period in question and paid for from the work estimate. This point has consequently been omitted from the history of service of the applicants. Further enquiry as to the office concerned for the above period has not been made as it will probably only delay the submission to government of the applicants before without leading to any more definite result.

2. Group The applicants serviced from 4 November 1863 to 17 November 1864 and from 1st September 1864 to 9 February 1876 are stated to have been verified from the Consular Office records but they cannot be verified from the United Kingdom Register of this Register owing to the omission in them of the names of demands of the inferior class -

S- The applicants services from 8th March 1864 to 31st Augst 1864 cannot be supplied from the Divisional Office records and from those of this Office owing to want of records - I can't send only without detail of establishment we showed in the Audit Register to have been passed - The Superintendent Engineer, Godavari has however obtained and forwarded the applicants appointment and the statements of his contemporaries servants together with two original orders in support of the applicants services - These documents testify to the applicants continuous employment as detailed in the History of Service -

4. Should Government allow the Off-Board to count his service from 15th March 1964 to 23rd August 1964 towards gratuity on his official, the Statement of Contingency amounts and the original orders the total gratifying will amount to 2 years (3) months and 5 days. Should however this period be treated the total period of service will be reduced to 11 years 9 months and 21 days but there will be no reduction in the gratuity commensurate the corresponding original of change.

" Official Order to the District Engineer Godavari District dated 25th Jan'y 1878, No. 4.
From the Superintending Engineer, Godavari District dated 23rd March 1878, No. 3988.

Order thereon 8th April 1878, No. 128.

Application is made for the grant of an invalid gratuity to Ravanam Manickam lately a Lock Superintendent. No. 1 B. Godavari District.

2. The applicants services can only be verified from the 4th of November 1863 but he himself states that he had been in the employment of Government previously and continuously for a period of 12 years, 2 months, and 2 days. He states that he was then employed as a Bricklayer Master on the Construction

construction of the Guenavaram
aqueduct and is supported in his
statement by the evidence of two
contemporary employees.

3. No record of Ravanom
Manickem's services during these years
exists and it is therefore concluded
that he was during this period not
a permanent servant but on the
work establishment which was
paid from the work estimate. This
conclusion receives confirmation
from the Orders appointing him
a Lock Superintendent in 1863
which is simply directed to Ra-
vanom Manickem whereas in
subsequent orders his official
designation is added.

Under these circumstances
the applicant's qualifying service
must be held to have commenced
on

on the 4th November 1863.

4. His Grace the Governor in
Council is therefore pleased, under
Sections 52 and 65(a) of the Civil
Pension Code, ^(3rd Edition) to grant to Ravanom
Manickem an invalid gratuity
of Rupees (4000) Forty thousand rupees
for his qualifying inferior service
