TANJORE, 25th October 1897

Certified that I have carefully examined
Rameswamy Ayya, formastah District
Munsiff's Court, Beaulah, son of
Rajawar Ayya
~~in the Police Force of the Tanjore District~~ His age is by his
statement 56 years by appearance about the same.
consider Rameswamy Ayya to be completely and permanently
incapacitated for further ~~active~~ service of any kind or in the de-
partment to which he belongs in consequence of ~~infirmary~~ ^{debility}

His incapacity does appear to
me to have been caused by irregular or intemperate habits.

Arzi submitted by the District
Munsif of Sheally.

Received on the 18th Instant the
District Court order passed on the 10th Inst.
as to the submitting of the Application
of Gravity of Ramnandan Singh, dated
4th June 1877 of this Court.

I have herewith sent the Appli-
cation for Gravity, filled in printed
form, the vouchers marked A B C & D and
the Gumnastah's Service Book.

It does not appear from the re-
cord here that the Gumnastah has taken
more leave than specified in the
Accountant General's letter.

As regards the delay in submitting the
Application for Gravity from 15th April
1877 when the Gumnastah left the post,
as this Court was adjourned from 9th
April to 20 May 1877. An Arzi was sub-
mitted to the District Court on the 8th
of the said month, asking for sanction
for the removal of the Gumnastah from
his post. On this the District Court's
order of the 5th July that a Medical Cer-
tificate should be produced, reached
this Court on the 9th Idem, on which

date an arzi was submitted to the District Court stating that Medical Certificate is sent. On this, District Court's Order of the 14th Idem sanctioning the removal of the Gurnastab from the Post and directing that his pension or gratuity should be re-commenced, reached this Court on the 18th Idem. The Gurnastab was thereupon, ordered to put in a Petition giving his services &c, and he presented it on the 18th August. I then ordered to examine the records here, to verify his service and as only certain informations were had, Yadsak were written on the 12th September to the District Munsif of Tranguabar where this Gurnastab served for some time and also to the Sub Court Begapatam under whose Charge the records of the Case North Tangore District Court are, to learn the information that could be had from the records of this Court. On this, the District of Tranguabar replied on the 22nd Sept. and the Sub Court on the 1st October with both showing the Gurnastab's service.

service. On the 20th of the said month Application was prepared and submitted to the District Court. But an Order of the 25th Idem directing that some corrections should be made in it, reached this Court with the Application on the 27th. In correcting it, Section 74 of the Pension Code was referred to and it was learnt that the Accountant General should be asked to verify the service before the Application could be submitted. A letter was accordingly written to the Accountant General on the 29th of the said month and the Service Book sent to him. In reply a letter of the 18th November was received from the Accountant General, intimating that the Service Book should be sent to him through the District Court. Arzi with copy of Service Book was accordingly submitted to the District Court on the 17th of the said month. The District Court Order of the 10th Instant together with the Accountant General's letter to the District Court reached this Court on the 18th. On the printed form along

April 1877 a statement was, according
to the order of the High District Court

Tanjore. It was accordingly forwarded to the District Court of Tanjore. It was found that the applicant was more than 55 years of age and was sent to the Surgeon with a letter requesting that the Surgeon should examine him and report on his fitness for further service. On this the Surgeon certified that the applicant was not fit for service. I have been sent to the District Court advising it to have been removed from the list.

It was stated in the Service Book that in 1868 February before the applicant was transferred to the District Surgeon's Court of Tanjore, as acting 3rd Gunastah he was permanent 4th Gunastah in this Court, a Service List was accordingly prepared and sent through the District Court to the Accountant General. The said List was returned accompanied by another List prepared with reference to the records in the Accountant General's Office which stated that the applicant was acting 4th Gunastah. He was therefore entered in the Application for Gratuity.

The total period of service is not exceeding Rs. 182 - - - - - equal to 18 months and 14 days.

A Medical Certificate of the applicant's fitness for further service in the profession was not obtained at the time of applicant's removal (viz in April 1877) from service but one obtained subsequently is herewith forwarded. The cause for not having obtained the same in proper form in time and the reason of long delay in the submission of the application have been explained by the District Muzarp Court. With the Muzarp Court dated 23rd January 1878 and para 1 of the 27 of 21st February 1878 both accompanying the applicant's application in April 1877 according to the entry in the application and service book appears to have been less than 58 years and not 65 or more which is required before a Medical Certificate can be dispensed with.
