CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior superior} grades has been duly proved for — 32 — years — 3 — months and 6 days; and that an {inferior superior} pension {gratuity} not exceeding Rs. 4 — — — per annum, is admissible under Section 65 (b) of the Civil Pension Code. The calculations have been duly verified {if government is pleased to consider it expedient to make reference to the first and second parts of the reply Memo No. 65 of 29 January 1878 accompanying that the applicant's removal without a Medical Certificate of unfitness for further service (he being less than 60 years of age) was due to an impression in the Master Attendant's Office that the applicant as Head Light Keeper on pay exceeding 10 Rupees was a Superior Servant, and as such is entitled to retire without a Medical Certificate of the Head of the Office certifies as required under Section 56 rule 3 Civil Pension Code and this certificate is given on the third page of the application.

The Master Attendant recommends the applicant for half pay pension on the grounds of the applicant having served more than 10 Rupees per annum for about 17 years and of his having served as Head Light Keeper in the Light House Establishment which the Master Attendant considers on the same footing as that of Signalmen in Light House. But this cannot be sanctioned because the Code contains no provision for this.

The duties of a Head Light Keeper are detailed in the reply Memo from Master Attendant above alluded to.

A Medical Certificate of the applicant's unfitness cannot now be obtained as he is reported to have died on the 22 January 1878. The Master Attendant states that the legal representatives of the deceased who may be entitled to claim the arrears of pension are his son and his widow.

The pension if sanctioned is debitable to "Port Funds".

I have the honor to sub-
join the following replies to
the queries in the above
Memo: respecting the pen-
sion application of J.
Woodthick, late head
lightkeeper, Madras.

Part 1— Under Section
42, Clause 1, Civil Pension
Code, the service of Signal
men in lighthouses are
classed as Superior, if their
pay

pay exceeds ten Government Rupees. Head Light-keeper Moorthiah drew 12 Rupees and came under the same head of establishment - Lighthouses. His service was therefore treated as the same viz. Superior.

Para 2 - Moorthiah having closed 55 years with a service of 30 years, was superannuated under Section 56, Clause 2, of the Civil Pension Code. He is now no more, having died on the 22nd Instant.

Para 3 - As regards the duties of head lightkeeper at Madras, he is not only required, in common with the other lightkeepers on the establishment, to clean reflectors, lamps, plate glass, and machinery of revolving apparatus, as well as to prepare and light the lamps, work the machinery and exchange matches day and night, but he is placed immediately over the other hands to look after them during their work. Considering the importance of the light and the value of the whole apparatus, the post of head lightkeeper is one of trust and labour.
