ORDER THEREON, 7th May 1878, No. 159.

The applicant Iyacooty Moodelly was employed in the Public Works Department in qualifying grades from the 22nd February 1850 until the 31st March 1863 when he was discharged on a reduction of establishment.

2. For this service he was granted a gratuity of Rupees 75, but he had already after an interval of only four days become a maistry on the petty establishment in which post he remained until on the 15th October 1874 he was declared unfit for work owing to age and infirmity.

3. Application is now made for the grant of a further gratuity to Iyacooty Moodelly for the period he was employed as maistry, but such service has been declared to be of a temporary and non-qualifying nature, and the claim is therefore inadmissible.

FORT SAINT GEORGE, 30th October 1874

Sir,

As the orders of the Government of India printed with G.O. No. 2634 of the 16th September 1874 have raised doubts and led to questions relative to Members of the Petty Establishment, I have the honor to suggest that the views of Government regarding the position of such Subordinates in the Madras Presidency may be made known to all District Engineers and Range Officers.

2. In the 3rd para of the orders of the Government of India, Members of the Petty Establishment are referred to among those for whom Service books should be kept up in the offices or Divisions to which they belong, but in this Presidency it has been the practice to regard Members of the Petty Establishment as having no claim to Pension or Gratuity, in fact, as belonging to the Temporary Establishment and therefore the entertainment of and charges for Petty Establishment has been regulated, not by a sanctioned scale for the entire Presidency or for each District but according to the lump

lump sum provided for it in the Budget and distributed to the several Districts and Ranges.-

3. According to the Public Works Code of the Government of India* Petty Establishment includes Store Keepers, Maistries ~~Mistries~~ or Artificers employed on general duties, guards, Chuprassies (Peons) not attached to offices, Classies, Chowkedars and other inferior servants and as the provisions of the Civil Pension Code are extended to this class of subordinates there seems no reason why the same class of men should be differently treated in this Presidency. I may add that some of the Member of the Petty Establishment in this Presidency have had continuous service for several years.-

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following ~~letter~~ papers

From the District Engineer, North Arcot dated 19th November 1874, No. 2325

" Controller of Public Works Accounts dated 12th June 1875, No. 108

" Accountant General, dated 1st September 1875, No. 345.

Official Memo to the Public Works Department dated 18th September 1875, No. 25.

Docket Order from the — do — do — dated 20th January 1876, No. 23.

Official Memo to the Examiner of Public Works Accounts dated 1st September 1877, No. 23.

From Examiner P.W.D. No. [illegible] d. 15 Dec 77.

Order thereon 7th ~~April~~ May 1878, No. 159.

The applicant Iyacooty Moodeli was employed in the Public Works Department in qualifying grades from the 22d February 1850 until the 31st March 1863 when he was discharged on reduction of Establishment.

2 For this service he was granted a gratuity of Rs 75 but he had already, after an interval of

I don't agree in this view. The Petty Estabt. is said by the G.O. to be on a temporary footing merely because this of only four days, become a maistry on the Petty Establishment in which post he remained until on the 15th October 1874, he was declared unfit for work owing to age and infirmity.

3. Application is now made for the grant of a further gratuity to Iyacooty Moodely for the period he was employed as maistry, but such service has been declared to be of a temporary and non-qualifying nature, and the claim is therefore inadmissible.

Vide G. O. P. W. D. 27 March 1865
No 840.

Govt. had stated that pending the re-organiz. of the P.W.D. they had not settled the constitution of the Petty Estabt.
But it does not follow that continuous service from 63 to 74 is therefore temporary employt. I would give the man the gratuity to wh. he is entitled.

Note. This case has been delayed & gone backwards & forwards owing to the somewhat contradictory orders in the P.W.D. relative to the service of the Petty Establishment being allowed to qualify for pension. It has now been settled that no change is to be made & from the G.O. quoted above it will be seen that at the time the applicant was a maistry the P.W.D. distinctly treated such service as non qualifying. It has been customary to treat it, tho: exceptions have been made on reference to the Govt. of India
