Pension.

Read the following papers :—

From the Collector of the Kistna District, dated 11th August 1877.
,, *Officiating Deputy Accountant-General, dated 15th February* 1878, *No.* 1455.
Official Memorandum to the Accountant-General, dated 8th April 1878, *No.* 8.
From the Accountant-General, dated 25th April 1878, *No.* 1756.

ORDER THEREON, 13th May 1878, No. 178.

Application is made for the grant of a superannuation pension to Marripudi Venkatachelam, late Deputy Tahsildar of Vissanapettah, in the Kistna District.

2. The applicant's first permanent employment was that of Sayer Gomasta in the Huzur Kacheri of the Masulipatam District.

Appointed on the 1st February 1845, he remained in this post until the 24th March 1851, when he became an Acting Sirasta Gōmasta in the same office; and on the 21st May in the same year he was confirmed in his new post on a salary of Rupees 12 per mensem.

3. The establishment on which he now served was one that was organized for the management of certain estates that reverted to Government. It was paid from State funds but was entered under the head "Extra Establishments" pending the revision of the establishments of the whole district. When this was effected the incumbents were confirmed, and it has, for a number of years, been customary to deem such service qualifying.

4. The Accountant-General is of opinion that the Order* on the subject requires the confirmation of the Government of India; but His Grace the Governor in Council considers that the case of the members of this so-called extra establishment is one within the purview of Section 19, Rule 1, Civil Pension Code, and that their service has been correctly held to qualify for pension. Under this view the applicant's qualifying superior service commenced on the 21st May 1851.

5. At the time of the final revision of the District Establishments Marripudi Venkatachelam was Sirasta Madutgar on Rupees 30 per mensem, and he then, the 25th May 1860, was styled Vernacular Clerk, his salary remaining the same as before. When superannuated on the 18th July 1877 his total superior service amounted to twenty-five years, three months, and one day, and His Grace the Governor in Council is pleased to grant him the full monthly pension of Rupees 46-7-9, to which he is thereby entitled.

6. Copy of these Proceedings will be forwarded to the Government of India.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for 25 —— years 3 —— months and 1 day; and that a Superannuation {pension / ~~gratuity~~} not exceeding Rs. 46-7-9 per mensem equal to half his average pay is admissible under Section 60 —— of the Civil Pension Code. The calculations have been duly verified (provided Government is pleased to accept the applicant's affidavit and evidence of contemporary employes in support of service which has not been verified) subject to confirmation of the Grant by the Government of India as the Order of Government No 711 dated 17th December 1870 under which the applicant's service in the Extra Establishment is reckoned as qualifying has no validity unless embodied in the Code or now approved of by Govt. of India (Vide note in Chapter I. Notification No 3912 of 18th October 1877).-

The allowance drawn by the Applicant while acting as Dy. Thasildar of Vissanapetta Division from 24th May to 19th September 1873 cannot be included in the calculation of the average as the Thasildar of Nandigama Taluq in whose arrangement the applicant was shifted to Vissanapetta did not vacate his claim to pension in respect to his own Office.-

The permanent incumbent Rajahgopala Charry Uncovenanted Assistant Settlement Department Kristna (for whom the Thasildar was acting) counted service on his appointment of Uncovenanted Assistant as he was only engaged as an Extra Assistant for introducing new settlement in some of the Talugs of the Cuddapah District.-

The Applicant's petition to Government Copy of which was sent to this Office is herewith sent.-

During his absence his Treasury is incharge of the Head Gumasta. He has been severely reprimanded and would be reported to Government, but that he has informed that he wishes to resign the service as soon as he has completed his full term for pension which will be about six months from date. He says he cannot live at Tervour, the water does not agree with him. As it is his Head Quarters he must do so. he has been ordered to report specially every occasion of absence to his superior Officer, the Head Assistant Collector. To His Grace the Duke of
Buckingham and Chandos
Governor in Council
Fort St. George, Madras.

The humble representation of Murripudi Venkatachalam Deputy Tahasildar and 3rd Class Magistrate of Vissannapetta Division, in the Kistna District.

May it please your grace.

On the 18th instant I sent in a memorial to your grace requesting your grace will be pleased to order the Collector that I may be permitted to continue my service as Deputy Tahasildar of Vissannapetta Division for 10 months and 5 days more for the completion of full 5 years as by doing so that I may avail myself of the opportunity of getting a moiety of pension 50 Rs as my last appointment's pay was Rs 100.

(2) At that time I was not aware that the Collector made a mistake in the calculation of my pension. I therefore beg most respectfully to submit to your grace the requisite explanation to point out the mistake which I trust your grace will not deem obtrusive or irrelevant.

(3) I was appointed as Deputy Tahasildar of Vissannapetta Division on the 24th of May 1873 on a salary of 100 Rs and I received that salary till the day I made over the charge to a person nominated by the Collector, that is to say, the 18th July 1877; but through a clerical mistake as marginally noted, it appears that he deducted as 5 and 2 ps. having wrongly Calculated on the supposition that I received Rs90 only 60X for 3 months and 27 days from the 24th May 1873. Again in reckoning days I presume another mistake was occurred, hence the cause of reduction of 10 as and 9 ps which being added to the former amounts to 15 annas and 11 pies and thus they were obliged to insert the figures Rs 46-7-5 instead of Rs 47-7-4.

	Rs as p.
Pay from 24th May 1873 to 18th July 1877 at Rs 100 per month y. m. d. 4-1-26	4983-13-11

(4) In conclusion I beg most respectfully to say that without sufficient protectors on whose generosity I may throw myself — — the idea has occurred to me that your grace's known liberality will extend itself in my favor to the extent that I may complete my service of full 5 years as requested in my former memorial and thus redound to your lasting reputation and my unceasing gratitude.

(5) Hoping that your grace will take up this petition with my former memorial in to your favorable consideration.

I beg to remains

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

TO THE Chief Secretary

Pension Department

SIR,

With reference to Mr. Under Secretary Campbell's Official memo No. 8 dated 8th Instant pointing out that under G. O. No. 858 of 18th May 1863 (which communicated Government of India No. 1653 of 23d April 1863) and under section 19 (1) of the Civil Pension Code the service of Mr. Venkatachellam from 21st May 1851 to the date of revision of Revenue Establishments would count for pension I have the honor to state that the order and section cited in the Official memo do not appear to govern the case of the applicant who did not serve in an Establishment of the particular kind described in the order of the Government of India quoted, and whose particular temporary appointment does not appear to have been made permanent as contemplated in the case met by Section 19 (1) of the pension Code. The Extra Establishments in which the applicant served are peculiar to the Krishna District, and appear to have been entertained for the management of some 31 Estates purchased by Government; and the members thereof so far as this Office is informed, received no fixed pay pending sanction of Government to a revised Moyenzabitha for the whole District; and it no where appears that the particular appointment or appointments which the applicant held were ever made permanent by competent authority.

2 This Office under the authority of G.O. No. 711 dated 11th December 1870 and with reference to similar cases which had been disposed of under that order viewed service in this Extra Establishment as of a permanent nature and reported accordingly. As however the Order of the Madras Government directing the admission of service on the Establishment referred to has not been confirmed by the Government of India and is not included in the pension Code, it should not with especial reference to the ruling No. 3912 of 18th October last embodied in page 1 Chapter I Civil Pension Code have been acted upon by this Office, which should I think have brought to the notice of His Grace in Council that the orders of the Government of India should have been obtained before the grant of the pension.—

With reference to the accompanying application for a pension to Marripudi Venkatachelam, the undersigned is directed to point out (1) that the applicant was apparently in permanent employ as Sayer gumasta at the time he was appointed acting Sirista Gumastah in 1851 and that his subsequent Service would therefore seem to count (Vide Govt of India letter in G O 18th May 1863 No 858/ (2ndly) that his Office in the Extra Establishment having subsequently become permanent, service in it would seem to count (Vide Rule 1 Section 19, Civil Pension Code). The decision of these points will not affect this applicants pension but may be required for the disposal of other cases -

Official Memo: to the Accountant General dated 8th April 1878 No. 8.
From the Accountant General dated 25th April 1878 No. 1756.

Order thereon 13th May 1878 No. 178.

No 715

Application is made for the grant of a superannuation pension to Marripudi Venkatachelam, late Deputy Tahsildar of Vissanapettah, in the Kistna Dist:

2. The applicants first permanent employment was that of Sayer Gomasta in the Huzur Kacheri of the Masulipatam District.

Appointed on the 1st February 1845, & he remained in this post until the 24th March 1851, when he became an Acting Sirasta Gomasta in the same office, and on the 21st May in the same year he was confirmed in his new post on a salary of Rs. 12 per mensem.

3. The establishment on which he now served was one that was ~~that was~~ organized for the management of certain estates that reverted to Government. It was paid from State Funds but was entered under the head "Extra establishments" pending the revision of the establishments of the whole District. When this was effected the incumbents were confirmed, and it has, for a number of years, been customary to deem such service qualifying.

t Dec:/70 No. 711,

4. The Accountant General is of opinion that the Order on the subject require the confirmation of the Government of India; but His Grace the Governor in Council considers that the case of the members of this so-called extra establishment is one within the purview of +Section 19, Rule ~~Schedule~~ 1, Civil Pension Code, and that their service has been correctly held to qualify for pension. Under this view the applicants quali-fying superior service commenced on the 21st May 185

+ See Resolution 17th Nov 70 No 3043 now embodied in that Section
A

5. At the time of the

final revision of the District establishments Marripudi Venkatachelam was Sirasta Madutgar on Rs. 30 per mensem, and he then, the 25th May 1860, was styled Vernacular clerk, his salary remaining the same as before. When superannuated on the 18th July 1877 his total superior service amounted to 25-3-1, and His Grace the Governor in Council is pleased to grant him the full monthly pension of Rs. 46-7-9 to which he is thereby entitled.

6. Copy of these Proceedings will be forwarded to the Government of India.
