Reply.

A revised Medical Certificate is herewith forwarded in which is inserted the full name of the applicant instead of the personal pronoun, him. The applicant was employed as a fumastah for stamping weights and measures in the Chittoor Taluk from 10th July 1874 to 27th September 1875 (or a period of 1 year, 2 months and 18 days), but being very old and at the same time ignorant of English, it was not possible to provide for him in the Collector's Department for a further period any other employment which required only light personal functions and for which a knowledge of English was not necessary.

He then sought employment in the Postal Department, but without success as he was not acquainted with English.

Refd.

The applicant's services in the department of stamping weights and measures was not included with his previous service in the Revenue and Saffal Establishments, as he was paid from fees levied for stamping weights and measures and service so far as it is not be considered as qualifying for pension or gratuity under section 35(a) of the Civil Pension Code. He was thrown out of his post of gun-staffer stamping weights and measures in September 1875 when it was found that the gun-staffs were not sufficient to keep up the appointments.
