Gratuity.

Read the following papers :—

From Lieut.-Colonel H. L. PRENDERGAST, R.E., District Engineer of North Arcot, to the Examiner of Public Works Accounts, dated Vellore, 1st February 1877, *No.* 3331.

One Service Book.
One Application.
One Statement.

I have the honor to forward an application for gratuity on behalf of Mr. John Francis Quintwal, Gumastah in my office.

2. With reference to your remarks on the preliminary application, No. 130, dated 31st October last, the date of applicant's appointment is altered to 20th June 1868.

3. Mr. Quintwal was not on leave on the 9th July 1873, as you point out. The mistake has been corrected.

4. The cause of reduction from Rupees 25 to Rupees 15 on the 1st July 1874 is shown in the service book and application for gratuity.

5. The applicant's first appointment was at seventeen years of age on the 16th July 1834. He was then employed as a clerk in the Revenue Board's Office, Public Works Department, on a salary of Rupees 40, and received Rupees 520 as gratuity for service up to 1856. He was again entertained in the Government service on the 20th June 1868 when his age was fifty-one years.

No. 4.

Certificate and Report of Examiner of Public Works Accounts.

The applicant appears to have entered the Government service as clerk in the Revenue Board Office, Public Works Department, on a salary of Rupees 40 per mensem on the 16th July 1834, and continued to be employed till the 7th December 1856, on which date he appears to have been thrown out of employ owing to the amalgamation of the Revenue Board, Public Works Establishment, with the Central Office, Public Works Department.

2. For the period of service rendered by the applicant, from 16th July 1834 to 7th December 1856, for twenty-two years, four months, and twenty-two days he was granted a gratuity of Rupees 520 (being thirteen months' pay) in Extract from Minutes of Consultation, No. 217, dated 15th September 1856, but the amount was not refunded by the applicant on, or subsequent to, his re-employment on the 20th June 1868.

3. The applicant was continually employed from the 20th June 1868 to 31st January 1877 on the latter of which dates he was relieved of his duties for being unfit for further service owing to old age.

4. The applicant's qualifying service from 20th June 1868 amounts to eight years excluding the leave, and the District Engineer, North Arcot, has recommended the applicant for the grant of a gratuity of Rupees 120, equal to eight months' pay.

5. Under Rule 7, Section 101, of the Civil Pension Code, the applicant's after-service cannot count for a separate gratuity. As the amount of gratuity received by the applicant for the former service rendered by him, from 16th July 1834 to 7th December 1856, was not refunded by him he is not entitled to any gratuity under the provisions of the ruling just quoted.

Official Memorandum from the Acting Under Secretary to Government, to the Examiner of Public Works Accounts, dated Fort St. George, 4th August 1877, *No.* 16.

The undersigned is directed with reference to the Notification of the Government of India, dated 29th June 1877, No. 1609, to return the application of John Francis Quintwal, late Gumastah, District Engineer's Office, North Arcot District, in view to his submitting a revised report through the Accountant-General.

(Signed) H. B. GRIGG,
Acting Under Secy. to Govt.

From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Pension Department (through the Accountant-General), dated Chepauk, 8th April 1878, *No. 9-P.*

Adverting to your official memorandum of the 4th August 1877, No. 16, I have the honor to submit a revised report on the application for gratuity of Mr. F. J. Quintwal, late Gumastah in the District Engineer's Office, North Arcot.

2. Mr. Quintwal entered the Government service as a clerk in the late Board of Revenue, Department Public Works, on the 16th July 1834, and served continuously to the 31st January 1856, upwards of twenty-one years, his last appointment being in the Chief Engineer's Office on a salary of Rupees 40 per mensem.

3. On the 31st January 1856, Mr. Quintwal's services were dispensed with, owing to disqualification for the efficient discharge of the duties required of him on account of irregularity in attendance, &c. Mr. Quintwal was however recommended by the Chief Engineer in his letter, No. 962, dated 14th February 1856, to be transferred to the pension list on one-third pension of his average emoluments. He would have been entitled to one-third pension under the old rules, as recommended by the Chief Engineer, had he been regularly transferred to the pension list. His removal from the service being due to disqualification, Government in the Extract from Minutes of Consultation, No. 102, dated 19th May 1856, declined to grant any pension to the applicant though he served for more than twenty-one years, as he was not entitled to superannuation pension, being only thirty-nine years old on the date of his removal, nor to an invalid pension, the Medical Officer having declined to grant him a certificate of unfitness for further service. However on the special recommendation of the Chief Engineer, Mr. Quintwal was granted in G.O., No. 217, dated 15th September 1856, a *special gratuity* of Rupees 520, equal to thirteen months' pay, a gratuity not provided for in the rules (the highest gratuity admissible being only six months' pay under the old rules and twelve months' pay under the Civil Pension Code).

4. Under the Civil Pension Code, Section 48, and Rule I, Section 49, Mr. Quintwal would not have been entitled to any gratuity or pension, his removal from the service being due to disqualification or inefficiency.

5. Mr. Quintwal however was again employed in the Public Works Department as a clerk in the Chendragherri Division of the North Arcot District on the 20th June 1868, and continued in service till the 31st January 1877, after which date his services were dispensed with, Mr. Quintwal being over fifty-five years of age and in consequence unfit for further service.

6. On re-employment in June 1868, Mr. Quintwal did not refund the gratuity received by him for the former service, and it is clear from Rule 7 of Section 101 of the Civil Pension Code that his after-service, amounting to eight years, cannot count for a separate gratuity, but it is doubtful, owing to the peculiar circumstances of his case, whether his previous service, for which a gratuity was granted as a special case in consideration of the length of service rendered by him, can be combined with the new service with reference to the Government of India's Notification, No. 1609, dated 29th June 1877, and it is for Government to decide whether or not this Notification can be made applicable to his case.

7. Had Mr. Quintwal's removal from the service in January 1856 not been due to inefficiency or disqualification his new service of eight years could be combined with the old, which amounts to seventeen years, eight months, and eighteen days after deducting the service rendered before the completion of twenty-two years of age and his whole service qualifying for pension would then amount to twenty-five years, eight months, and eighteen days, which would render him eligible to superannuation pension of Rupees 9-5-7. The present value of this pension is Rupees 909-11-6, the applicant being sixty years old at the time of retirement in January 1877, while his after-service of eight years alone would entitle him to a gratuity of Rupees 120. Now as the gratuity of Rupees 520 received for the first service, *plus* Rupees 120 the gratuity he is entitled to for the second service does not exceed Rupees 909-11-6, the present value of the pension of Rupees 9-5-7 to which he would have been entitled had he refunded the gratuity received for the previous service, he will be entitled to the gratuity of Rupees 120 if the Government of India's Notification above quoted is made applicable to the case.

From 14th May 1838 to 31st January 1856.

8. There was some doubt about the date of birth of the applicant the age given in the register of application for a superannuation pension, dated 14th February 1865, not agreeing with the date of birth given in the enclosed application for gratuity. On reference to the District Engineer, North Arcot, on the subject, it has been since ascertained that Mr. Quintwal's date of birth is 14th May 1816, as will be seen from the accompanying declaration of the applicant before a Magistrate.

No. 932.

Submitted with the remark that under the strict letter of Rule 7, Section 101, of the Civil Pension Code, a gratuity of Rupees 120 is admissible to the applicant.

Read the following papers :—

From Colonel W. E. FABER, Chief Engineer, Department of Public Works, to the Secretary to Government, Department of Public Works, dated Fort St, George, 14th February 1856, No. 962.

One Register.

I have the honor to report, for the information of Government, that Mr. John Francis Quintual, a Clerk on this establishment, attached to the Deputy Chief Engineer for the Northern Division, having been found disqualified by debility and infirmity for the efficient discharge of the duties required of him, and on account of general ill-health, being very irregular in attendance at office that, that individual was, from the commencement of the present year, discharged, and a fresh and efficient hand entertained in his room.

2. As it would appear, however, that Mr. Quintual has served for the continuous and uninterrupted period of twenty-two years and five months under the old Department of Public Works, and, until disabled by failing health, had proved himself a painstaking, industrious servant, I trust I may be permitted to bring his case forward for the favorable consideration of the Right Honorable the Governor in Council, and to solicit that he may be transferred to the Pension List on the usual terms, namely, a pension of one-third of the average salary which he has received during the last five years of his service.

3. A register in the form prescribed by Extract Minutes of Consultation in the Public Department, No. 143, dated the 30th May 1855, I have the honor herewith to forward for submission to Government.

To the Deputy Secretary to Government.

From F. LUSHINGTON, Esq., Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, dated Fort St. George, 18th March 1856, No. 151.

In returning the original communication and its enclosures received with the Order of Government in the Public Department, dated 16th ultimo, I have the honor to report, for the information of the Right Honorable the Governor in Council, that the average of the salary or authorized official allowance drawn by Mr. John Francis

Quintual, late Clerk on the establishment attached to the Deputy Chief Engineer for the Northern Division during the last five years of the undermentioned period of his service is Rupees 27-7-4 per mensem, and that he appears from the monthly and annual lists of establishment furnished to this office to have been first entertained in the public service on the 16th July 1834, from which date his name appears regularly in those lists up to 31st December 1855, making a period of service of twenty-one years five months and sixteen days.

2. With reference to the Order of Government, dated 26th February 1855. No. 246, Public Department, I beg to state that on applying to the Chief Engi in the Department of Public Works for the requisite information that officer has repli that there appears to have been no prolonged period of absence during which a substitute has acted for Mr. J. F. Quintual, and in consequence the column in the register for that purpose was left blank.

EXTRACT from the Proceedings of the Chief Engineer in the Department of Public Works, under date the 3rd March 1856, No. 1430.

Read letter from the Civil Auditor.

(Here enter 27th February 1856.)

Resolved that the Civil Auditor be informed that there appears to have been no prolonged period of absence during which a substitute has acted for Mr. J. F. Quintual, and in consequence the column in the register for that purpose was left blank.

From Colonel W. E. FABER, Chief Engineer, to the Secretary to Government, Public Works Department, dated Fort St. George, 19th April 1856, No. 2608.

With reference to Extract Minutes of Consultation in the Public Department, No. 72, dated the 8th April 1856, I have the honor to report that Mr. Quintual states that the Surgeon of the District in which he resides has refused to grant him a medical certificate as required by the above order of Government. I have the honor, therefore, to request the further instructions of Government upon his case, the Deputy Chief Engineer, Northern Division, having dispensed with his services on the ground of incompetency from physical infirmities and premature superannuation.

No. 4040.

MEMORANDUM.

With reference to the Acting Deputy Secretary's memorandum of the 11th instant, the Chief Engineer has the honor to state that from the date of the formation of the Central Office of Public Works up to the period of his discharge, or from 1st August 1855 until 31st January 1856, Mr. Quintual received a salary of Rupees 40 per mensem.

2. Previous to his joining the Central Office, Mr. Quintual's salary was 35 Rupees per mensem, which amount he had received in the Department of Public Works of the Board of Revenue for a period of nine months, or from the month of November 1854 until the 31st July 1855, his salary previous to November 1854 would appear to have been for a term of years Rupees 28 per mensem.

FORT ST. GEORGE,
13th June 1856.

(Signed) W. E. FABER, Colonel,
Chief Engineer.

To the Acting Deputy Secretary to Government.

Extract from the Minutes of Consultation, dated 9th May 1856, No. 102.

The Government observe that, although Mr. Quintual has served for a period of twenty-one years, he is only fifty-nine years old and scarcely entitled therefore to a superannuation pension on the score of age. The Medical Officer, moreover, refuses to certify to his disqualification for further effective service, and by the recent orders of the Honorable Court the production of a Medical Certificate is indispensably necessary in such cases.

2. Under these circumstances the Right Honorable the Governor in Council is unable to accede to the Chief Engineer's request for the grant of a pension to Mr. Quintual, but, on the recommendation of the Chief Engineer, he will be pleased to grant to him the amount of gratuity to which he may be entitled under the rules.

Gratuities.

To the Secretary to the Government of India, dated Fort St. George, 25th June 1856, No. 742.

In the Rules for the grant of pensions to discharged Public servants, the amount of pension is calculated on an average of the applicant's salary for five years previously to the date of application, but in the Rules respecting the grant of gratuities to those servants who have no claim to pension, neither present nor average salary is specified, and it has hitherto been the practice in this Presidency to calculate gratuities on the current allowances enjoyed by the applicant at the period of his discharge.

2. It seems doubtful however whether this mode of calculating gratuities is correct, and whether the same rule should not be adopted with respect to them as applies in the case of pension.

3. I am therefore instructed by the Right Honorable the Governor in Council to request the instructions of the Supreme Government on this point—that is to say, whether gratuities should be calculated on the present allowances of the applicant or on an average of his salary for the last five years.

EXTRACT from the Proceedings of the Right Honorable the Governor-General of India in Council in the Financial Department, under date the 25th July 1856.

Read an endorsement from the Home Department, No. 1060, dated the 9th instant, forwarding, for consideration and orders, a Despatch from the Government of Fort St. George inquiring whether gratuities to Uncovenanted Servants who have no claim to pension should be calculated on the allowances enjoyed by them at the time they are discharged, or on an average of their salaries for the last five years of their service.

RESOLUTION.—The Right Honorable the Governor-General in Council observes that there are no rules for granting gratuities to Uncovenanted Servants who have no claim to pension upon retirement. A proposition for fixing a scale for the grant of gratuities to such servants was in 1847 referred for the consideration of the Honorable Court of Directors, but was negatived. In special cases, however, gratuities to deserving servants have been granted and have been calculated on the allowances enjoyed by them at the time of their discharge and not on an average of their salaries for the last five years of their service, and the Government of Madras should be instructed to conform to this practice.

ORDER.—Ordered that a copy of the foregoing Resolution be forwarded to the Home Department, for communication to the Government of Fort St. George, and that the paper noted in the margin be returned.

CERTIFICATE AND REPORT OF ~~ACCOUNTANT-GENERAL~~ Examiner of P. W. Accounts.

The applicant appears to have entered the Government Service as clerk in the Revenue Board Office Public Works Department on a salary of Rs 40 per mensem on the 16th July 1834, and continued to be employed till the 7th December 1856 on which date he appears to have been thrown out of employ owing to the amalgamation of the Revenue Board, Public Works Establishment, with the Central Office Public Works Department.

2. For the period of service rendered by the applicant from 16th July 1834 to 7th December 1856 for 22 y/s 4 ms & 22 days he was granted a gratuity of Rs 520 being thirteen month's pay in Extract minutes of consultation No 217, dated 15th September 1857 but the amount was not refunded by the applicant on or subsequent to his re-employment on the 20th June 1868.

3. The applicant was continually employed from the 20th June 1868 to 31st January 1877 on the latter of which dates he was relieved of his duties for being unfit for further service owing to old age.

4. The applicant's qualifying service from 20th June 1868 amounts to 8 years excluding the leave, and the District Engineer North Arcot has recommended the applicant for the grant of a gratuity of Rs 120 equal to 8 month's pay.

5. Under rule 7 section 101 of the Civil Pension Code the applicant's after service cannot count for a separate gratuity. As the amount of gratuity received by the applicant for the former service rendered by him from 16th July 1834 to 7th December 1856 was not refunded by him he is not entitled to any gratuity under the provisions of the ruling just quoted.

WERE DISPENSED WITH. MR. QUINTWAL BEING OVER 55 YEARS OF AGE AND IN CONSEQUENCE UNFIT FOR FURTHER SERVICE.

6. ON RE-EMPLOYMENT IN JUNE 1868 MR. QUINTWAL DID NOT REFUND THE GRATUITY RECEIVED BY HIM FOR THE FORMER SERVICE AND IT IS CLEAR FROM RULE 7 OF SECTION 101 OF THE CIVIL PENSION CODE THAT HIS AFTER SERVICE AMOUNTING TO 8 YEARS CANNOT COUNT FOR A SEPARATE GRATUITY, BUT IT IS DOUBTFUL OWING TO THE PECULIAR CIRCUMSTANCES OF HIS CASE WHETHER HIS PREVIOUS SERVICE, FOR WHICH A GRATUITY WAS GRANTED AS A SPECIAL CASE IN CONSIDERATION OF THE LENGTH OF SERVICE RENDERED BY HIM, CAN BE COMBINED WITH THE NEW SERVICE WITH REFERENCE TO THE GOVERNMENT OF INDIA'S NOTIFICATION NO. 1609 DATED 29TH. JUNE 1877, AND IT IS FOR GOVERNMENT TO DECIDE WHETHER OR NOT THIS NOTIFICATION CAN BE MADE APPLICABLE TO HIS CASE.

7. HAD MR. QUINTWAL'S REMOVAL FROM THE SERVICE IN JANUARY 1856 NOT BEEN DUE TO IN-EFFICIENCY OR DISQUALIFICATION, HIS NEW SERVICE OF 8 YEARS COULD BE COMBINED WITH THE OLD, WHICH AMOUNTS TO 17 YEARS 8 MONTHS AND 18 DAYS AFTER DEDUCTING THE SERVICE RENDERED BEFORE THE COMPLETION OF 22 YEARS OF AGE AND HIS WHOLE SERVICE QUALIFYING FOR PENSION WOULD THEN AMOUNT TO 25 YEARS 8 MONTHS AND 18 DAYS WHICH WOULD RENDER HIM ELIGIBLE TO SUPERANNUATION PENSION OF RS. 9-5-7. THE PRESENT VALUE OF THIS PENSION IS RS. 909-11-6 THE APPLICANT BEING 60 YEARS OLD AT THE TIME OF RETIREMENT IN JANUARY 1877, WHILE HIS

AFTER SERVICE OF 8 YEARS ALONE WOULD ENTITLE HIM TO A GRATUITY OF RS.I20-0-0. NOW AS THE GRATUITY OF RS.520 RECEIVED FOR THE FIRST SERVICE PLUS RS.I20 THE GRATUITY HE IS ENTITLED TO FOR THE SECOND SERVICE DOES NOT EXCEED RS.909-II-6 THE PRESENT VALUE OF THE PENSION OF RS.9-5-7 TO WHICH HE WOULD HAVE BEEN ENTITLED HAD HE REFUNDED THE GRATUITY RECEIVED FOR THE PREVIOUS SERVICE, HE WILL BE ENTITLED TO THE GRATUITY OF RS.I20 IF THE GOVERNMENT OF INDIA'S NOTIFICATION ABOVE QUOTED IS MADE APPLICABLE TO THE CASE.

8. THERE WAS SOME DOUBT ABOUT THE DATE OF BIRTH OF THE APPLICANT. THE AGE GIVEN IN THE REGISTER OF APPLICATION FOR A SUPERANNUATION PENSION DATED I4TH. FEBRUARY I856 NOT AGREEING WITH THE DATE OF BIRTH GIVEN IN THE ENCLOSED APPLICATION FOR GRATUITY, ON REFERENCE TO THE DISTRICT ENGINEER, NORTH ARCOT, ON THE SUBJECT, IT HAS BEEN SINCE ASCERTAINED THAT MR. QUINTWAL'S DATE OF BIRTH IS I4TH. MAY I8I6 AS WILL BE SEEN FROM THE ACCOMPANYING DECLARATION OF THE APPLICANT BEFORE A MAGISTRATE.
