CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Certified that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 18 years 10 months and 14 days; and that a Compensation {pension ~~gratuity~~} not exceeding Rs. 4-10-8 per mensem, is admissible under Section 50 & 59 (b) of the Civil Pension Code (The calculations have been duly verified.)

With the regard to Section 50 (1) of the Code the Conservator of Forests states that it was found impossible
to provide the applicant with a place as he is permanently incapacitated for further service
owing to old age and infirmity — (being nearly 60 years) — With reference to Section 50 (5) of the Code
the Deputy Conservator states that by the abolition of the applicant's appointment there was a saving
in the permanent charges but that same expenditure is now incurred from the Forest working
charges — to this attention of Govt. is respectfully solicited —

Public

Proceedings of the Madras Government:

Read the following letter from Colonel J. H. Bell Chief Engineer, to the Secretary to Government, dated Chepauk, 7th February 1860 No: 10,026:—

To the Conservator of Forests, dated 29th December 1859 No: 8749.
From Do - Do - dated 3rd January 1860, No: 891.

I have the honor to forward for submission to Government with reference to their order, dated 4th July last, No: 1637 and to my letter dated 29th December last, No: 8748, the accompanying further Correspondence with the Conservator of Forests on the subject of Captain Morgan's Forest Establishment.

2. The Establishment required by Captain Morgan for future operations is given in Captain Farewell's letter, dated 17th November last No: 233, already before Government with my letter above referred to and differs but little from that which was entertained by Captain Morgan in May last, and of which a list was submitted to Government with my letter, No: 1506 dated the 11th June following.

The required Establishment is as follows:—

Captain Morgan's salary	400	
Do Travelling allowance	150	
		550

550

Head Accountant	A. Kandasuami	55	
Assistant do		20	
Wood-yard Writer		14	
Karkana Manager	Kistnapa	30	
Assistant do	Arumugam	15	
Superintendent of Coomboes	Hucha	15	
do of Sawyers	Abdulla	8	
do of Elephants	Corrutam	8	
do of Buffaloes	Sheik Moutun	7	
Peon for general duties	Husain Sahib	7	
do (Temporary) do		6	
Superintendent of Contractors Cart.	Kandasuami Pillay	24	
Assistant do	Sheik Budam	12	
2. Peons at 6 Rupees each		12	233
		Total Rupees	783

3. Without taking into account the difference of Captain Morgan's present and former salaries it will be seen that the proposed Establishment is Rupees 29 less than that entertained by him in May 1859.

Captain Morgan's Establishment as noticed in the order of Government 4th July 1859 No. 1,637 Rupees	562	
Deduct Captain Morgan's salary	300	262.
Establishment proposed as above	783	
Deduct Captain Morgan's Salary & Travelling allowance	550.	233
Difference		29.

4. The Conservator of Forests in his letter herewith submitted states, that it is not possible with him to say whether any reduction of this Establishment is practicable at present, that the Establishment at Mudumallai is working on a large scale and considering the amount of work done and the unhealthiness of

the locality is not greater than that at Anamalai which is being worked on the same scale.

5. Captain Farewell is of opinion that 50 Rupees out of this Establishment may be charged to the Jackatalla Barracks, and I have, therefore, included it in the list of Captain Farewell's Establishment submitted to Government in a separate letter, No. 10,025 of this date.

6. Captain Farewell is further of opinion that a portion of Captain Morgan's salary about 100 Rupees and of his Establishment, about 20 Rupees may be charged to the Segur Ghât of which he was placed in charge. Having already directed in my Proceedings of the 30th September last, No. 5,615, with reference to the order of Government dated the 24th idem, that Captain Morgan's salary should be defrayed from the funds allotted for the Jackatalla Barracks, and the same being included in the List of proposed Establishment for the Special Executive Engineer at Jackatalla, submitted in a separate letter of this date, I do not think that there is any reason which calls for an alteration in the arrangement.

7. There is nothing in the rates of salaries of Captain Morgan's Establishment which tallies with Captain Farewell's proposition to charge one Writer and two peons' salary Rupees 50 to the Jackatalla works: the salary of the Head Accountant at Utakamand alone being fixed

at Rupees 55. Captain Farewell seems to have intended that 50 Rupees out of the gross amount of that Establishment should be charged to the Barracks, and as I could see no objection to this arrangement, I have included this amount with Captain Morgan's salary in the List of Establishment of the Special Executive Engineer at Jackatalla, submitted with a separate letter of this date.

8. As I concur with the Conservator of Forests that Captain Morgan's Establishment is not larger than is absolutely required, and as I am of opinion that it is very desirable that the Forest Establishment should be maintained in as efficient a footing as possible since on its supply of Timber the early completion of the Jackatalla works mainly depends, I beg to recommend that the sanction of Government may be granted to the proposed Establishment as follows:—

Captain Morgan's Forest Establishment Rs.	233
Deduct amount to be charged to the Jackatalla Barracks — —	50
Rupees — —	183.

to be charged to the Forest, subject to such reduction as the Conservator of Forests may hereafter think proper to recommend.

Order thereon, 4th April 1860, No. 691.

In compliance with the requisition in paragraph 7th of the order 4th July 1859, the Chief Engineer reports

in

in this letter, on the Establishment proper to be maintained in connection with the Mudumalla Forest.

2. A detailed list of the proposed Establishment is given in paragraph 2. Exclusive of the pay of, and Travelling allowances of the Superintendent, which amount to Rupees 550 per mensem, the monthly expenditure will be Rupees (233) Two hundred and thirty-three. The Conservator of Forests has been consulted on the subject, but he forbears to give a decided opinion; the tenor of his remarks, however, is opposed to reduction. He hopes, however to meet Captain Morgan at no distant date, and then to be able to speak decidedly.

3. The Government now sanction the Continuance of the Establishment on the scale thus proposed by the Chief Engineer, subject to any future reduction that may appear expedient after the receipt of Doctor Cleghorn's promised further report.

4. The Government have already ruled that the salary of the Superintendent shall be a charge on the Barracks. Colonel Bell, now

order dated 24th
September 1859
No: 2293

proposes, on the suggestion of the Special Executive Engineer at Jackatalla to debit the Barracks with 50 Rupees a month on account of the Establishment. This division of the charge appears unnecessary and objectionable. Captain Morgan's salary and the pay of his Establishment will both be charged to the Forest in the first instance, and the whole expenses of working the Forest will form a charge on the Jackatalla Barracks Sanction.

for pension in due course.
