Affidavit made by Cuddapah Swamy Row
son of Cuddapah Bhimappa of Bellary.
I was Civil Record Keeper in the late
Sub (latterly Principal Sadar Ansen) Court
of Bellary. I was thrown out of employ on 31st
December 1862 on the abolition of that Court.
During my service I once took leave for one month.
I do not recollect what kind of leave it was. I
was not suspended or degraded. I did not
receive any gratuity or pension at the time of
the abolition of the Court or afterwards. I was
born on 13th February 1821.

Most respected Sir,

With due deference and submission,
I, C. Swanu, Civil record Keeper in the late
Subordinate Court, beg most respectfully to
bring to your honor's kind notice that my
services were dispensed with and I was thrown
out of employ on the abolition of late Sub Court
in the year 1862. With the hope of obtaining
a new situation I desisted from applying either
for pension or gratuity. I am now old and infirm
and completely unable to work hard for my
livelihood. I petitioned the Government on
the subject in the month of February last.
The Government was pleased to return the
petition to me with an endorsement that I
should obtain the orders of the Local authori-
ties before addressing the Government. I
beg to enclose herein copy of my petition
to Government and the endorsement thereon
for your honor's perusal. My services extend
over 18 years. I therefore most respectfully
pray that your honor will be kindly pleased to

attention to business on the kind side of my Court, because an obviously difficulty, that difficulty being very considerably increased, by the pending transfer to my Court of the presently existing and prospective business of that of the Principal Sudder Sudder. the former embracing inter alia eleven original suits.

3. Under these circumstances, and considering the very pressing, actually existing trial in Jail, at the time of the Courts resuming, had a right to be tried with as little delay as conveniently practicable, and that consequently a continuance of Session would be needless until the Jail was so far delivered. I, at once, telegraphed the facts to the High Court, soliciting its recommendation that the abolition of the Principal Sudder Sudder's Court at this Session should be deferred for some months.

4. Unable to obtain it, however, I am fain to submit the case to Government direct as one urgently calling for special intervention.

5. Personally, it is a matter of no moment to me. I can but perform a day's duty daily, whatever its nature, and that, of course, I am prepared, and glad, to do. but it is certain that very much of public inconvenience, and vexatious delaying, must be, inevitably, my being left single-handed.

6. Under these circumstances, therefore, I would very respectfully solicit that the Principal Sudder Sudder's Court at this station be kept open till the close of the year, or at any rate for some months, for the performance of civil business only; as well, to proceed with, and work off, its accumulated arrears, as, to take up, and dispose of, as

many of the appeals are my file, as
may be practicable.

Order thereon, 2nd July 1862, No 1,034.
Under the circumstances represented
by the Civil Judge of Bellary, the
Governor in Council resolves to direct
that the abolition of the Principal
Sudder Ameeris Court at that Station
be postponed until the 1st October
next.

2. The Civil Judge will report
monthly, through the Sudder Ameer,
on the state of the file in both
Courts.
