2. It is stated, in Para 3 of the above letter, that the Medical Officer reports of Moonesawmy of sound mind and fit for further service; the Commissary General, however, having tried the man in various duties of the Commissariat Department, declares him unfit for either office or store work from want of intellect and memory.

3. In the absence of a qualifying Medical Certificate in support of the application, no pensionary allowance can, under Regulation, be authorized. Had a Medical Certificate been obtainable, the applicant would have been entitled to a pension of one-third of his pay—Rupees 10 per mensem, under Clause (b), Section 59, Pension Code.

4. Should Government deem the case deserving of special consideration, the

Sir,

In reply to your Memo No. 9202

every respect inefficient as a clerk.

A specimen of his copying and by no means the worst is herewith sent which will give a better idea of his capacity as a Copyist than any description I could give.

Moonesawmy Saidee was formerly a Camer Copillay in Broomah. I am not aware by what process he was converted into a Clerk he never could have been a Smart Conakapullay.

No. 9843.

From

THE COMMISSARY-GENERAL,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT,

FORT SAINT GEORGE.

SIR,

I have the honor to bring the case of a 4th Class Clerk of the Commissariat Department to the notice of Government for orders regarding his disposal, as he is reported to be useless.

For several years the Annual reports on a Clerk named Moonosawm, Naidoo serving at Longhoo were so unfavorable, that it was deemed advisable to post him to the Madras Office for observation, and I submit an Extract from the Executive Officers last Annual report upon him, as well as a special report setting forth more in detail the nature of this man's inefficiency.

3 The Clerk was sent to the Medical Officer, who reports him of sound mind and fit for further service, and physically he no doubt is, judging by his appearance, but he has been tried in different situations and has proved unfit for either office or store work from want of intellect and Memory.

4. This Clerk bore a good character for efficiency in the early part of his service. On enquiry it appears that he contracted a fever some years ago from which he is said to have suffered

suffered for upwards of a year, and since which
the annual reports have gradually been less favorable
until at last he has been declared to be useless.

5. He has been in the Service since 1855
his general conduct appears to have been uniformly
good, but he is reported to be useless arising
probably from the cause above described,
under these circumstances I would respectfully
recommend to Government that he may be
dealt with under the ruling contained
in the despatches referred to in Section 49
of the Civil Pension Code and that he be
granted a pension of $\frac{1}{3}$ of his pay viz
Rupees ten, he having completed 22 years
service

2. Y. Moonesamy Naidoo
has been a clerk in the Com-

It is stated that "this clerk bore a good character for efficiency in the early part of his service" but "contracted a fever nine years ago" since which time the reports on him have been gradually less favorable, and now after trial at head quarters he is "declared ^{to be} useless".

3. The medical officer who has examined the man states that he is of sound mind, and in good health, and can, therefore, not be invalided on the usual terms.

4. At the same time H. Moonesamy Naidoo's continu-
-ance in

in the public service cannot be permitted, and His Grace the Governor in Council would therefore recommend that he should be removed on the pension of $\frac{1}{3}$ his average salary to which he would be entitled were he regularly invalided.
