of Govern.
ment an
application
for the

grant of pensions to two Constables of the Kistna District named in the margin.

2. They have served in the Police Department for the periods specified against their names and Shaik Dawood is stated to have been employed formerly in the Revenue Department only for about 6 years

Shaik

Shaik Davood is stated to have borne a "good" character and the character of the other is "fair". They are now unfit for further effective service of any kind as certified by the local medical officers.

3. These individuals are entitled to the monthly invalid pensions entered against their names and from the dates noted, equal to a third of their average pay for the five years last preceding according to proviso to Section 2 of the Police Superannuation Fund Rules and Sections 52 and 109 Scale A of the Civil Pension Code.

4. With reference to the medical certificates of these men being signed by a single officer and the retention in service of Constable Shaik Davood up to 7th February 1878 subsequent to the date of the medical certificate viz. 27th January 1878 the Superintendent of Police has given the following explanations

"They have not been placed before the annual Invaliding Committee or a special Committee of 2 medical officers having been pronounced unfit by the local medical officers subsequent to the date of the Committee while under treatment in Hospital."

"Shaik Davood was discharged from 8th February 1878 instead of 27th January (the date of medical certificate) as he had to travel from Guntur to Masulipatam with his clothing &c."

5. The delay in the submission of these rolls has been caused in obtaining the detailed reasons of the medical officer and Superintendent of Police for considering Shaik Davood to be unfit for further service through general debility although he is below 55 years of age as required in note 2 to Section 54 of the Civil Pension Code and correcting certain discrepancies in their services on verification from the records of this office.

I have the honor to be,
