FROM

C. G. MASTER, Esq.,

Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

In forwarding the accompanying* case of an under-warehouseman in the Government Press whose service is held to be inferior though his pay was Rupees 20 per mensem, I am directed to state that His Grace the Governor in Council considers that such service should be deemed superior.

2. There are three persons styled under-warehousemen attached to the Government Press with salaries of twenty, ten, and five rupees, respectively; and the Supervisor reports that the nature of the duties required of the men on Rupees 25 and 20 are similar to those performed by ordinary clerks. They are in fact Assistants to the Storekeeper and as in this capacity they have to take charge of Acts, Gazettes, printed forms, &c., and record receipts and issues, they are necessarily educated men.

I have the honor to be,

Sir,

Your most obedient servant,

OOTACAMUND,
22nd July 1878.

Secretary to Government.

Proceedings of Government, Pension Department.

Read the following papers:—

From the Supervisor of the Government Press, dated 7th March and 27th May 1878, Nos. 404 and 858.

„ Accountant-General, dated 17th April 1878, No. 1748.

ORDER THEREON, 22nd July 1878, No. 321.

Application is made for the grant of a pension on the superior scale to V. Soobroya Moodelliar, lately an under-warehouseman in the Government Press, but the Accountant-General reports that service in such capacity is at present held to be “inferior.”

2. It does not appear that the case of warehousemen was *specially* brought to notice in 1863, when the Government took into consideration what public servants not then "eligible" should be brought within the operation of the Pension Rules, but His Grace the Governor in Council considers that such service should be deemed "Superior," and a recommendation to this effect will be made to the Government of India.

3. In the mean time V. Soobroya Moodelliar is granted the invalid pension of Rupees 4 per mensem, payable from the 15th February 1878, on the inferior scale, to which he is entitled for his qualifying service of thirty-four years, one month, and fourteen days.
