*From the Supervisor of the Government Press, dated 7th March and 27th May 1878,
Nos. 404 and 858.*

ORDER THEREON, 22nd July 1878, No. 321.

Application is made for the grant of a pension on the superior scale to V. Soobroya Moodelliar, lately an under-warehouseman in the Government Press, but the Accountant-General reports that service in such capacity is at present held to be “inferior.”

2. It does not appear that the case of warehousemen was *especially* brought to notice in 1863, when the Government took into consideration what public servants not then “eligible” should be brought within the operation of the Pension Rules, but His Grace the Governor in Council considers that such service should be deemed “Superior,” and a recommendation to this effect will be made to the Government of India.

3. In the mean time V. Soobroya Moodelliar is granted the invalid pension of Rupees 4 per mensem, payable from the 15th February 1878, on the inferior scale, to which he is entitled for his qualifying service of thirty-four years, one month, and fourteen days.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 34 years — months

and 14 days; and that an ^{pension} ~~gratuity~~ } not exceeding Rs. 4-0-0 ^{per annum}; is admissible under Section 65 (b) of the Civil Pension Code (The calculations have been duly verified.) But the Superior Govt. Dept. recommends the applicant for 1/2 pension on the Superior scale for his service as an Under-warehouseman from 1-8-1890; this how ever does not seem admissible as it was however were held in 1893 as not eligible for such pension; should Government with reference to the nature of the duties which the applicant is stated in the 8th Column of the Service Book to have performed, consider that he should be held as a superior servant, then such entitled to a pension on the Superior scale it is requested that the case may be referred to Govt. of India as required under Section 43(a) of the Civil Pension Code for orders.

On the event of that Govt. sanctioning the applicant as superior, the applicant can be allowed a 1/2 Pension of Rs. 10-8 per annum under Section 53 (1) for his service of 8 years and 12 days.

Sir,

In returning the pension case of V. Jacobaraya Kurur, Under Warehouseman, forwarded with Official Memo, No. 12 of 1st March 1878, I have the honor to state, that there are three Under Warehousemen in this Establishment, drawing salaries of Rs 25, 20 and 10, of whom, the first is the despatcher of printed forms, spare copies of Acts, &c to all the offices in the Presidency, and of the Vernacular translations of Imperial and Local Acts to Collectors of Districts for distribution with the District Gazette, and he keeps the necessary Books.

(2) The second is in charge of the Acts and keeps a book showing the receipts and issues thereof; also in charge of spare copies of the Fort Saint George Gazette, which are supplied to different Officers on their requisition. He is a general Assistant to the Storekeeper.

(3) The third one being on receipt of 10 Rs, is an inferior servant, as per section 41 of the Civil

Civil Pension Code; but as regards the other two, I am of opinion,
that they should be admitted to the benefits enjoyed by Superior
Servants, as the nature of the duties required of them are similar
to those performed by ordinary Clerks, though they are designated
as Under Warehousemen.

I have the honor to be,

Sir

Your obedient Servant.

Application is made for
the grant of a pension on the
superior scale to V. Subbaya
Moodelliar Latchyan under-
-warehousman in the Government
Press, but the Accts General
reports that service in such
Capacity is at present held
to be "inferior".

MD

I think the designation is a
misnomer. "Warehousman" does
keep accounts generally I think
there were no clerks.

2. It does not appear that
the case of Warehousmen was
specially brought to notice in
1863, when the Government
took into consideration what
public servants not then
