2 Please explain the Cause
of his discharge, as no reason is
given in the monthly pay bills
forwarded to this office. It is
observed that the service book
which accompanied your docket-
(which is herewith returned
for reference to be retransmitted),
does not show the above break,
but the man is credited with
20 years uninterrupted service
from 1856 to 1876. Col. Mainwaring
should be asked to explain this.

Longhoo, who has been referred to, is
also unable to explain the circumstances,
as he has no records of so old a date.

said weighing man, which was re-
turned by that Officer with his Memo
dated 25th August 1876, was for-
warded to the Executive Comt: Officer
at Longhoo for explanation and
on its return, it was retransmitted
to the Examiner as required for the purpose
of being verified, but the document
was not sent back to his Office, Vide
Memos dated 7th and 24th November
1876 from the Examiner's Office, here-
with forwarded. Since the receipt of
the Order of Government under reference
the Commissariat Examiner was requested
to return the document, but that Officer
states in the accompanying Memo of
27th September 1877, that no service book
was apparently received. Hence
it is presumed that the document
must have been lost or mislaid.
