Vide your application for gratuity on behalf of K. Devaraja Mudaliar, late an Assistant Master, Taluk School, Poonamallee.

The undersigned has the honor to inquire whether, by the abolition of the Taluk School at Tiruvallur on the 30th September 1875, the pay of the applicant's post was saved to Government as required by Rule 5, Section 50, of the Civil Pension Code. The applicant appears to have been recommended for a gratuity on 16 rupees which he was on receipt of while at Tiruvallur, Section 51 of the Code.

(Signed) W. DONALD,

No. 2392.

The applicant was receiving a salary of Rupees 16 in the Taluk School of Tiruvallur. On the abolition of the school he was transferred to a vacant post in the Taluk School of Poonamallee of Rupees 14. A temporary saving to Government was produced by the abolition of the Taluk School of Tiruvallur. This saving extended from the 1st October 1875 until the period when the Taluk Schools were remodelled. In the Presidency Division orders for remodelling the Taluk Schools were issued in Proceedings, No. 165, of the 16th January 1877.

The undersigned has the honor to inquire why the applicant's absence on leave on medical certificate, from 22nd April to 16th May 1874, has not been deducted from the total period of six years and ten months served in the superior grade.

2. Inquires whether any permanent saving to Government was effected on the 30th September 1875 in consequence of the abolition of the appointment held by Devaraja Mudaliar; if so, please state the amount with reference to Rule 5, Section 50, of the Civil Pension Code. It is requested that reply to this may be given irrespective of the question of remodelling the Taluk Schools.

3. The cause of delay in the submission of this application should be explained.

No. 2793.

The Acting Inspector of Schools, Presidency Division, states that, in the absence of the Deputy Inspector of Schools, Saidapet Circle, he is unable to state why the leave was not deducted. He thinks the matter was an oversight. The delay was caused by various endeavours which the applicant made to re-enter the department. It was only after he saw that he would not be re-entertained that he applied for a pension on the 20th April 1878.

Certificate and Report of Accountant-General.

Certified that qualifying service in superior grades has been duly proved for six years, nine months, and six days; and that a compensation gratuity not exceeding Rupees 96, equal to six months' pay, is admissible under Sections 51 and 59 (a) of the Civil Pension Code. The calculations have been duly verified. It is observed that although the applicant during his service from 9th February 1859 to 28th January 1877 has been in receipt of pay in excess of Rupees 10 per mensem, still he is not entitled to count the whole of his service as qualifying for pension in the superior grades, as the excess of pay drawn by him for the entire period of his service, except from 1st December 1868 to 30th September 1875, was met from the School Fee Fund. Hence the gratuity now recommended is for the period of service the pay for which was debited to Provincial Services.

2. It will be seen from the accompanying papers that the applicant was thrown out of employ both on the 30th September 1875 and 28th January 1877, in consequence of reduction of establishment in the Educational Department. With reference to Rule 5 of Section 50 of the Code the Director of Public Instruction has in his reply to this office memorandum, No. A.D.K.—31, dated 25th July 1878, explained that the whole pay of the appointment held by the applicant on the 30th September 1875 was saved to Government.

3. The cause of delay in the submission of this application has been explained by the Director in his reply memorandum, No. 2793, of the 20th ultimo, which is transmitted herewith.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.
