Memorandum.

The undersigned has the honor to state that the delay in the submission of the application in question arose chiefly from the fact of the Service Book of the Applicant not having been correctly prepared and completed till some months after his removal from the service.

Owing to great inattention on the part of the Officers of the Ordnance Combs to the rules framed for the preparation of the Service Books the Service Books of the several Ordnance Combs & establishments once prepared and sent up to this Court for counter signature had to be returned to the Ordnance in September 1877 with detailed instructions in accordance with which fresh books were ordered to be procured and prepared.

The applicant's Service Book prepared in accordance with these instructions was submitted to this Court by the District Ordnance of Collegal along with the application for gratuity at the end of February 1878, but unfortunately it became again necessary to
and

sent it for certain corrections, which being made the Service Book was returned to this Court on the 19th March. Without unnecessary delay the application was submitted by this Court on the 10th April 1878.

Shut orders have now again been issued to all the Drumsiffs in the District requiring them to pay particular attention to the preparation of the Service Books and to have them kept up to date. They have also been directed to attend to the speedy disposal and submission of applications for pension or gratuity.

The applicant is reported to have had leave on substitute and without pay for two years and six days during the entire period of his service, as under.
