carefully examined Szed Tazal son of

about 55 years. We consider Szed Tazal to be
completely and permanently incapacitated
for further service of any kind in the Department
to which he belongs in consequence of being old
and worn out, his incapacity does not appear
to us to have been caused by irregular or
intemperate habits

3. These two individuals are entitled to the monthly invalid inferior service pensions entered against each of their names equal to a half of their pay not exceeding Rs 4. with effect from 28th July 1877 according to Sections 52, 65(b) & 112 of the Civil Pension Code.

4. With reference to the Cause of delay in submitting these rolls and 2^d Class Constable Sied Fazil being shown from 16th April to 31st July 1860 in the Service lists of both the Revenue and Police Departments the Superintendent of Police gives the following explanation

"The Medical Certificates of these

these men were not received in this Office until after the lapse of one month."

"Lists of Revenue Service were applied for on the 27th August 1877 and were furnished only on the 7th December last. They were again returned for correction as they were found to be incorrect and were received back only on 30th January 1878." "As G. O. No. 581 dated 25th October 1877 had not been received in time it could not have been obeyed in the present instance. It will be duly attended to in future."

"A reference to the records of this Office shows that they were enlisted in the force on 17th April 1860. It is therefore presumed that the Police Force having been established recently at the time the men might have joined it taking leave in the Revenue Deptt."
