G.O., 13th September 1878, No. 413.

SEPTEMBER.

Pension.—Granting an invalid pension of Rs. 40-15-1 per mensem to Mr. John Webb, late Sub-Assistant, Madras Survey.

Chittoor, 5th January 1878.

CERTIFIED that I have carefully examined Mr. John Webb,
Son of Mr. James J. Webb, a Sub. Assistant,
Revenue Survey No. 3 Party, in the District of North Arcot.
His age is, by his own statement 46 years and by appearance, about 55 years
I consider Mr. John Webb

to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of debility following repeated attacks of fever, feeble cardiac action, defective vision, inability to perform his duties in the field on account of the results of a former attack of sunstroke.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Ag. Civil Surgeon, Chittoor.

VIDE your Application for Pension on behalf of *Mr John Webb*

late Sub Assistant Madras District

The undersigned has the honor to *enquire*

2. What is the cause of delay in submitting this application for nearly 6 months after the applicant had ceased to be a member of the Service.

James

Mr Webb

January and February 70, Rs 67.11.10, Rs 50.00, and
 Rs 50.00 were shown as savings in the Pay Bill
 for respective months, while the individual does
 not appear. I have been on hand of my description.
 4. What was the application submitted in application
 while acting as additional Sub-assistant from
 1st August 72 to 31 Aug 74; if now, please
 state whether the previous additional salary
 was merely nominal.

 is submitted on behalf of an individual his
 Service Book in original and a copy is
 found in the present instance forwarded

Sir

Acc^t Genl's Memo
 with Service Book

In returning the enclosures to your
 letter of 9th Instant P. 2768¹⁸⁶ as per margin;
 I have the honour to explain for the inform-
 tion of the Accountant General's Office that:

1. The Service Book being an epitome of the
 more extended Records, it is considered that
 the former is sufficiently authentic, and as
 it is more easy of reference further research
 is not made unless required.
2. Delay occurred in submitting the application
 through the necessity for references to other
 Parties for the verification of service performed
 at a period when Registers were not kept
 so uniformly as at present: loss of old
 Records &c. (See this Office P. 1193 of 11th July 78).
3. There seem to have been stoppages made
 by officers in charge without granting leave
 under the Rules, or communicating with
 the

Accountant General's Office. Sometimes,
's of casual sickness of considerable
duration seem to have been entered in the
Office Books as sick leave as a guide to
making monthly stoppages of pay, and
these having found their way into service
Books compiled from such Records, have
led to the present embarrassment.

4. The Rank of acting or additional sub-ass^t
was nominal. The substantive appointment
was that of Head Surveyor during the
period specified.
5. The original service book was copied
& cancelled on account of numerous erasure
& alterations. Having been duly attested,
the copy became an authentic Record,
& was submitted in evidence of service
accordingly.
6. With regard to occasional increase
or decrease of pay without promotion or
reduction of Rank, it may be remembered
that the officers in charge had liberty
to remunerate their subordinates within
certain maximum limits for each grade
& often made changes in their pay under
circumstances not recorded.

Superintendent of the Madras Survey

VIDE your Application for *Pravin* on behalf of *Mr John Webb*
Late Sub. of the Madras Survey *regt and Districts 2375*
of the 17th Madras
The undersigned has the honor to state that it has been found

impossible to verify from this Office records
the applicants services for the period of his
employment in the Survey Department from
January 1866 to 30 April 66, the latter of that
Department in those days not having been
properly organized and being considered merely
Temporary. The Superintendent is therefore
requested to be so good as to report what
records have been consulted by himself or
by one of his Subordinates (naming
the Officer) in the verification of *Mr*
Webb's

Kibbo Service for the period specified above and
what particulars are shown in each of the
records named above this Office to submit the
statements as satisfactory evidence of the ap-
plicants claim for Pension.

An early reply is submitted as the applicant
has represented to this office that he has been
furnished with the necessary information in consequence of the
delay that has already taken place in the sub-
mission of his application for Pension.

SIR,

In reply to your Memo of the
23rd Instant (herewith returned), I have
the honour to state that the records
relied on in forwarding applications
for Pension or Gratuity are the "Service
books" these having been originally compiled
from Pay bills, Leave Registers and
Service Registers kept in District Offices.

2 In the case under reference,
some of the original documents have been
destroyed and verification of Service by
means of them is now impossible. The
periods of Service passed by Mr. Webb in the
different Survey Parties are attested by the
Officers in charge of each. I have no doubt
of the correctness of the Service book, but
am unable to furnish any further in-
formation on the subject.
