Governor of Madras.

The HUMBLE MEMORIAL of T. KUNHUSSA, late 3rd
Class Magistrate and Dy. Tahsildar of
Tiroorangadi in Malabar,

MOST RESPECTFULLY SHEWETH,

That your Memorialist has learnt with extreme regret the terms of the order of the Collector of Malabar No. 1005 dated 14th June 1878, enjoining Memorialist to make over charge of his duties and retire from the public service from the 17th June 1878 and intimating that he has been recommended to the higher authorities for pension; and your Memorialist has accordingly retired from service.

2. Your Memorialist is not yet assailed by the infirmities of old age, inasmuch as he can even now carry on writing business in his own hand and discharge the duties connected with his post with vigour and activity as has been pronounced by Surgeon Major W. H. Roberts and Surgeon H. D. Cook. But your Memorialist does not presume to urge anything against the orders of his superiors so far as his retirement from service is concerned, but he respectfully begs to bring to Your Grace's notice that by his retirement when he is in no way incapacitated from active duty, there could be no gain to Government while on the other hand it grieves Memorialist to see that he should retire on the small pension of Rs. 35 when his services, which he humbly begs to show hereunder, will clearly entitle him to a higher rate of pension.

3. During the time your Memorialist was in service, he had discharged his duties without the least flaw, giving every satisfaction to his superiors and rendering several meritorious services to Government.

4. Tiroorangadi was formerly Shernad taluq where had originated several Moplah outrages and other most horrible crimes and where resided Syed Fysool transported to Arabia. Agreeably to the desire of the Court of Directors conveyed in one of their letters, and to that of Govt. that in this Moplah taluq, a Mussulman Tahsildar is indispensable, the Honourable Sir William Robinson, the then Collector of Malabar, who was conversant with the affairs of this taluq selected your Memorialist from North Malabar and appointed him Tahsildar in this taluq, which appointment your Memorialist held for 5 years and 3 months permanently, subsequent to which he was for 10 years holding the post of 3rd class Magistrate and Dy. Tahsildar of Tiroorangadi, a post not less favoured in point of relief from trouble by the outrageous Moplahs.

5. On the amalgamation of the Taluqs, Koman Nair a Tahsildar of long standing had to be appointed as Tahsildar, and your memorialist was asked to choose the alternative between the post of a Sub Magistrate and that of a Salt Peishcar which latter appointment was then better paid than that of a Sub magistrate. Your memorialist choosing the latter, was appointed to it, but to meet the wants of the public service as mentioned above he was posted as Sub Magistrate of Tiroorangadi.

6. Your memorialist lost his Tahsildarship not through any fault of his. The Government desired it, and there was at the time no Tahsildarship to provide memorialist with, and your Memorialist had till now remained in the service in his capacity as Sub Magistrate and Deputy Tahsildar in the humble hope that he would be re-installed at the first opportunity.

7. Your Memorialist begs to point out that if he were not deprived of his Tahsildarship—a privation he was made to suffer to meet the desire of Government—he could have drawn a pension amounting to a moiety of a Tahsildar's pay.

8. Your Memorialist had on various occasions applied for the post of a Tahsildar, but further than receiving hopeful orders, never once was his prayer responded to.

9. Your Memorialist had only a pay of Rs. 107 as Tahsildar and hence his reduction did not much signify inasmuch as with the Sub Magistrate's pay was incorporated the commission of Sub Registrar also—which brought to your memorialist a pay equal to that of his Tahsildarship.

10. Previous to your Memorialist's incumbency, Tirooragadi was the Head Quarters as it were of Mopla outrages and fearful dacoities. He was selected especially for the place by the then Collector of Malabar, now the Honourable Sir W. Robinson, on the retirement of Tahsildar Kootoosa, on the sole consideration that in a Moplah Taluq like Ernaad a Moplah Tahsildar was indispensable and your Memorialist respectfully begs to state that he has amply justified Sir W. Robinson's selection.

11. Your Memorialist had always at heart the welfare and peace of the place in his jurisdiction and he had spared no pains to secure that peace unmindful of his religious compunctions utilising where there was wanted the influence he had by his office—facts that the absence of Moplah outrages during the time he had charge will bear glaring testimony to.

12. Your Memorialist here takes the liberty to state that seeing that in a Mosque established here in Cherur where there was a Moplah outrage and murder, by a man from Mahe one Pothilote Mammed Kutti, a large number of people used to assemble and celebrate vows and other religious rites which your Memorialist feared would sometimes for the least thing stir up fanaticism in the unenlightened and obstinate Moplah, and counting upon the necessity of stopping it, reported the circumstance to the then Collector of Malabar, the Honourable Sir W. Robinson, who after instituting enquiries transported to Arabia the said Mammed Kutti and Mandothangol Ahmed Kutti and another Mulla. The Honourable Sir W. Robinson finding the necessity of destroying the Mosque, conferred on the subject with your Memorialist who to avoid any ill feeling in the fanatic Moplah which would naturally arise if insult was in any way meant or offered to their mosques, by slow degrees using most artful expedients prevented people from repairing to it, which eventually brought it into a state of decay and utter demolition and thus made both ends meet.

13. In Vengara Amshoma a Moplah female was seduced by a Parsee from the Neilgherries who after making her forego her creed took her as his wife and after a few years brought her back to Tirooragadi which so kindled the rage of her relatives and other Moplahs that, had not your Memorialist the moment he received information of the arrival of the fugitive Moplah female and her lover used means to send them away out of the reach of the Moplahs' wrath there would have been awful blood-shed. The presence of mind displayed at this critical juncture by Your Memorialist was most joyfully recognised by the Hon'ble Sir W. Robinson.

14. During the time Your Memorialist was doing duty as Sub-Magistrate of Beteth Pudiangady, Moplahs recommenced their clamours &c. in making their vows at Tirooragadi (which were all stopped when Your Memorialist was there) and betrayed their fanatical notion, which coming to the knowledge of Mr. MacGregor the then Collector of Malabar, that gentleman took security from the ringleaders for good behaviour.

15. During Your Memorialist's tenure of office as Salt Pesihcar a Mussulman Moplah quartered a Kanishan Velu Panikkar at Uragam Melmuri, on which account the Moplah Act was promulgated in that Amshom and the then Magte Vengu Pathi Iyer dismissed. This, the Memorialist need hardly tell, evidences the utility of Your Memorialist's services as a Magistrate, and he has the satisfaction to say that in his endeavours to put a stop to all outrageous acts he has proved successful.

16. It might be urged that in Malabar Your Memorialist was the only individual of his creed, before he retired, in a qualifying grade in the public service with magisterial powers.

Letter from G. A. BALLARD Esq. Collector of Malabar dated 18th July 1862.
Do. Do. 7th December 1863.
Do. J. H. GARSTIN Esq., Acting Sub-Collector dated 3rd June 1864.
Do. A. MACGREGOR Esq., Collector of Malabar dated 9th March 1872.

17. That Your Memorialist was not reduced from his Tahsildarship for any of his faults or incompetency, but that it was at the desire of Government on the amalgamation of the Taluqs, the letters marginally noted copies enclosed will clearly show.

18. Your Memorialist humbly trusts that the circumstance brought to notice in para 12 13 and 14 above will be borne out by the Hon'ble Sir W. Robinson and his qualifications by Mr. Ballard and Mr. O. Cannan Dy. Collector of Malabar.

19. Your Memorialist in fine begs most respectfully to state that after having so very faithfully and satisfactorily served Government for a long time, and after having spent the vigor of his youth in Government service it is exceedingly regretful that he who was reduced from a Tahsildarship to a Sub-Magistrateship, because Government desired it should be ordered to retire from the public service on a very small pension hardly adequate to maintain him in his old age.

20. Under these circumstances Your Memorialist hopes that he has fairly earned a claim for a Pension amounting to his full pay as Sub-Magistrate, to the granting of which if there should be any objection, he very respectfully begs to urge that under the Pension Rules which entitle a man who has completed his Pension service to a moiety of the pay of the highest post he was holding for 5 years—which generally is at the end of a man's service, your Memorialist is entitled to a pension amounting to half the pay of the Tahsildarship held by Your Memorialist from 1st May 1857 to 31st July 1862 a period of 5 years and 3 months when he was drawing Rs. 107 a month—as will be seen by the service Register already before Your Grace in Council; and he therefore very humbly solicits that in passing his Pension Roll, consideration may be given to his services as Tahasildar of Shernad and thus relieve him from the pain of distress which the small pension of Rs. 35 already recommended for him, will put him to; an act of goodness for which Your Memorialist will,

FOR EVER BE BEHOLDEN
TO YOUR GRACE.

CERTIFICATES.

CALICUT, July 18-1862.

KUNGUSA,

As the Taluks of Ernad and Shernad will be amalgamated from the 1st Proximo, only one Tahsildar will be required and I have determined to appoint N. Koman Nair to the post as his long and good service entitles him to it. I am sorry that the change will deprive you of your Tahsildarship, which you lose not from any fault of yours but because the public service required the change.

The Salt Peshcar (present pay Rs. 70) at Ponany, is going to the Police on 3 months, acting first, but will probably be confirmed in that department. If you would like the Peshcarship I will appoint you to it (Ag. for the first 3 months full pay) and you will be confirmed if Mr. Shelly stays with the Police. If he does not I will provide for you as Sub-Mag. at Tiruvangadi or you can have the Tiroorangadi Sub-Magistrateship at once if you please. I should mention the Ponani Salt Peshcar's pay will be Rs. 60 after a few months. Let me hear soon from you.

(Signed) G. A. BALLARD.

MALABAR, COLLECTOR'S OFFICE
CALICUT 7th December 1863.

Read Petition from T. Kungusa, Salt Peshkar of Beypore dated 2nd December 1863.

The Collector will always be desirous to give full consideration to T. Kunjusa's claims. When the amalgamation of the Ernad and Shernad Taluks deprived Kunjusa of his Tahsildarship the Collector gave him choice of Sub-Magistrateship and Salt Peshkarship the best appointments available. Kunjusa chose the latter and the Collector is glad to be able to state that no fault has been found with Kunjusa's conduct in the appointment.

But the Collector considers that the interests of Government will be better served by the appointment of another person to Ernad, and cannot consequently propose Kunjusa for the post.

The Acting Sub-Collector would have been very happy to have taken T. Kunyussa's claims into consideration when nominating the Tahsildar of Kottayam but as his application has been only now made and as the Acting Sub-Collector nominated another person to fill the vacancy some days ago he regrets he is unable to accede to T. Kunyussa's request.

KOONHOOSA,

I have received your application for the vacant Tahsildarship.

I regret that I am unable to comply with your request as I consider other arrangements advisable. Although it is true that you formerly held the post of Tahsildar I must remind you that the pay was only 107 Rs. and that your present pay including registrations is not much if at all less.

Collector.

T. Kunhussa 3rd class Magistrate and Deputy Thasildar of Betutpudiangady leaves this Division, being transferred to Tirurangady, and asks me for a certificate of his character.

I have much pleasure to record that he is an active and diligent public Officer and that he has done much to keep in peace the division placed under his charge. He was a Thasildar but on the amalgamation of the Taluks he was reduced to his present situation. I would be very happy to see him reverted to his former post.
