Sir
I have the honour to reply to your docket
2493 dated 19th Instant forwarding a Memo
289 from the Accountant General on application
for pension on behalf of S. Kistner.

2. The entry in the Annual Return for 1862
should have been "additional Detail Surveyor
on 20 Rupees instead of a Deputy Surveyor on
20 Rupees", the Surveyor having been on 1st
March 1862 reduced from Deputy Surveyor
on 25 Rupees, to additional Detail Surveyor
on 20 Rupees.

3. Regarding the difference in the amount
of pay entered in the Annual Return for 1864
and that shown in the History of Services,
the former entry refers to the sanctioned pay
of the Post and the latter to the amount the
applicant was actually drawing at the time.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 17 years {superior} equal to one third of the applicant's average for and 10 days; and that a {pension} gratuity not exceeding Rs. 12-12-3 per annum, is admissible under Sections 50 & 51 (5) of the Civil Pension Code (The calculations have been duly verified.) provided Government is pleased to concur in the authority of the Government of India embodied in the preceding of this Government No 1192 of the 4th July last. I will, I hope, the applicant, a bonus without leave for 1 day in June 1862, into leave without allowance, and thereby condense the break in the continuity of his service as required by Section 48 A, as his absence cannot be held to fall under the scope of Section 48 of the Civil Pension Code. Otherwise the applicant will be entitled only by nature of Rs. 720-0-0 with reference to rule 1 section 50 of the Code, the deficit of his dues during his absence being Rs. 720-0-0 of the 28th ultimo transmitted herewith. I state that his training and employment have been such that of a surveyor and that therefore there is no possibility of finding suitable work for him elsewhere. Agreeably to rule 5 of the section quoted in the preceding paragraph, the Deputy explains in the last page of the Register of Application that the Departmental saving to Govt effected in consequence of the abolition of the appointments held by the applicant in No 1192, as a further statement. It will be seen from the remarks set opposite to No 1 in the 3rd page of the application that the Character and past conduct of the applicant has not been satisfactory. It is to be noted with regret to make such reduction in the amount of Pension that may be sanctioned to the applicant as it tends to proper under rule 1 section 68 of the Code.
