Sir,

Enclosure

I have the honor to submit for the orders of Government an application for the grant of a pension to Salem Samier late a 3rd Grade Head Constable N^o 617 of the Salem District.

2. He has served in the Police Department for a period of 16 years, 11 months and 8 days and was formerly employed in the Revenue Department from 1st July 1855 to 16th July 1857 where he was dismissed from the 17th idem on suspicion of abetting a case of forgery. He was again appointed on 16th December 1859 as an amin in the same Department but on a reference being made to the Board of Revenue regarding

regarding him they passed an order prohibiting his re-employment in Government service. He was somehow taken in the Police Department on the 20th August 1860, and the fact of his previous dismissal was not discovered till a statement of his Revenue Service was applied for in May 1872, when he was considered unfit for service from old age with a view to submit a roll for his pension and gratuity. His case was then referred to Government who in their order No. 1110 dated 16th August 1872 Judicial Department permitted application for his gratuity being submitted. On receipt of the above G.O. the Dead Constable was sent to the District Surgeon for examination who considered him fit (Vide copy of Surgeon's letter No. 28 dated 26th September 1872 and also copy of proceedings of the Medical Invaliding Committee held on the 11th January 1873 who considered him fit for further service). He is now unfit for further effective service of any kind as certified by the Annual Medical Invaliding Committee. His character has been good.

3. This Dead Constable would irrespective of previous orders in his case in the Revenue Department,

be

218
be entitled to an invalid monthly pension of Rs. 12-5 with effect from the 28th July 1877, equal to a third of his average pay for the five years last preceding according to proviso to Section 2 of the Superannuation Fund Rules and Sections 52 and 109 Scale B of the Civil Pension Code for his qualifying service in the Police Department alone.

4. With regard to the cause of delay in submitting this roll the Superintendent of Police has given the following explanation:-

"The medical certificates regarding these invalided men were not received in this office until after the lapse of one month"

"Application was made to the medical officer for fresh certificates they were received only on the 3rd May consequently the rolls were delayed from being re-submitted"

Some delay occurred in this office in obtaining certain information regarding him on verification of his service from the records of this office.
